Robinson,2023-09-29 In the first full length scholarly synthesis of the African American Churches of Christ Edward J Robinson provides a comprehensive look at the church's improbable development against a backdrop of African American oppression The journey begins with a lesser known preacher F F Carson in many ways a forerunner in the struggles and triumphs awaiting the preachers and lay people in the congregations to come Robinson then builds on scholarship treating well known figures including Marshall Keeble and G P Bowser to present a wide ranging history of African American Churches of Christ from their beginnings when enslaved people embraced the nascent Stone Campbell Christian Movement even though founder Alexander Campbell himself favored slavery The author moves on to examine how the churches grew under the leadership of S R Cassius even as Jim Crow restrictions put extreme pressure on organizations of any kind among African Americans Robinson's well researched narrative treats not only the black male leaders of the church but also women leaders such as Annie C Tuggle as well as notable activities of the church including music education and global evangelism thus painting a complete picture of African American Churches of Christ Through scholarship and compelling storytelling Robinson tells the two hundred year tale of how black believers survived and thrived on the discarded scraps of America forging their own identity fashioning their own lofty ecclesiology and hard theology and creating their own papers lectureships liturgy and congregations A groundbreaking exploration by a seasoned scholar in American religion *Hard Fighting Soldiers* is sure to become the standard text for anyone researching the African American Churches of Christ
