## **Africas Slaves Today:**

*Africa's Slaves Today* Jonathan Derrick,2022-09-21 Africa s Slaves Today first published in 1975 examines the question of the persistence of slavery in modern Africa It concludes that slavery is by no means dead in certain regions but that at the same time clear cut definitions of slave and free are often impossible to establish In the Sahara particularly centuries of tradition involving slavery or semi slavery have ensured a persistence of the status quo in all but name Recent instances of Africans sold into slavery in Arabia are discussed together with a detailed survey of slavery throughout North Africa and Ethiopia At what stage forced labour becomes slavery is a difficult question raised by the discussion of the white South The whole subject of slavery is put into perspective by contrasting examinations of the historical situation throughout the book
