Afro American Literature Fiction:

Three Classic African-American Novels Henry Louis Gates, Jr., 1999-06-07 William Wells Brown Frances E W Harper and Charles W Chesnutt three black writers who bore witness to the experience of their people under slavery create a portrait of black life in the 19th century in these three novels Copyright Libri GmbH All rights reserved *The Concise Oxford Companion to African American Literature* William L. Andrews, Frances Smith Foster, Trudier Harris, 2001-02-15 A breathtaking achievement this Concise Companion is a suitable crown to the astonishing production in African American literature and criticism that has swept over American literary studies in the last two decades It offers an enormous range of writers from Sojourner Truth to Frederick Douglass from Zora Neale Hurston to Ralph Ellison and from Toni Morrison to August Wilson It contains entries on major works including synopses of novels such as Harriet Jacobs's *Incidents in the Life of a Slave Girl* Richard Wright's *Native Son* and Lorraine Hansberry's *A Raisin in the Sun* It also incorporates information on literary characters such as Bigger Thomas Coffin Ed Johnson Kunta Kinte Sula Peace as well as on character types such as Aunt Jemima Brer Rabbit John Henry Stackolee and the trickster Icons of black culture are addressed including vivid details about the lives of Muhammad Ali John Coltrane Marcus Garvey Jackie Robinson John Brown and Harriet Tubman Here too are general articles on poetry fiction and drama on autobiography slave narratives Sunday School literature and oratory as well as on a wide spectrum of related topics Compact yet thorough this handy volume gathers works from a vast array of sources from the black periodical press to women's clubs making it one of the most substantial guides available on the growing exciting world of African American literature **Afro-American Literature**, 1989 **Reader's Guide to Literature in English** Mark Hawkins-Dady, 1996 First Published in 1996 Routledge is an imprint of Taylor Francis an informa company [The Contemporary African American Novel](#) Bernard W. Bell, 2004 In 1987 Bernard W Bell published *The Afro American Novel and Its Tradition* a comprehensive interpretive history of more than 150 novels written by African Americans from 1853 to 1983 This is a sequel and companion to the earlier work expanding the coverage to 2001 *Afro-American Life, History and Culture*, 1985 [The Afro-American Novel and Its Tradition](#) Bernard W. Bell, 1987 This study is an addition to the growing body of scholarly analysis examining the Afro American contribution It is based on the premise that in the last 25 years the traditional canon of American literature excluded important minority authors Proceeding chronologically from William Wells Brown's *Clotel* 1853 to experimental novels of the 1980s Bell comments on more than 150 works with close readings of 41 novelists His remarks are framed by an inquiry into the distinctive elements of Afro American fiction ISBN 0 87023 568 0 25 00 **Each Hour Redeem** Daylanne K. English, 2013-03-29 *Each Hour Redeem* advances a major reinterpretation of African American literature from the late eighteenth century to the present by demonstrating how its authors are centrally concerned with racially different experiences of time Daylanne K English argues that from Phillis Wheatley to Suzan Lori Parks African American writers have depicted distinctive forms of temporality to challenge racial

injustices supported by dominant ideas of time The first book to explore the representation of time throughout the African American literary canon Each Hour Redeem illuminates how the pervasive and potent tropes of timekeeping provide the basis for an overarching new understanding of the tradition Combing literary historical legal and philosophical approaches Each Hour Redeem examines a wide range of genres including poetry fiction drama slave narratives and other forms of nonfiction English shows that much of African American literature is characterized by strategic anachronism the use of prior literary forms to investigate contemporary political realities as seen in Walter Mosley s recent turn to hard boiled detective fiction By contrast strategic presentism is exemplified in the Black Arts Movement and the Harlem Renaissance and their investment in contemporary political potentialities for example in Langston Hughes and Amiri Baraka s adaptation of the jazz of their eras for poetic form and content Overall the book effectively demonstrates how African American writers have employed multiple and complex conceptions of time not only to trace racial injustice but also to help construct a powerful literary tradition across the centuries

Black Voices Abraham Chapman,1968-09-01 *(Inter)racial Relationships as Accompaniment in Twenty-First Century African American Novels* E. Lâle Demirtürk,2024-10-15 This book explores the need to interrogate and subvert the embodied discursive practices of whiteness in the reiteration of norms through the construct of accompaniment both within black spaces and across the color line with a critical awareness that values collective experience of shared vulnerability in everyday life

Reading Contemporary African American Literature Beauty Bragg,2014-11-12 Reading Contemporary African American Literature focuses on the subject of contemporary African American popular fiction by women Bragg s study addresses why such work should be the subject of scholarly examination describes the events and attitudes which account for the critical neglect of this body of work and models a critical approach to such narratives that demonstrates the distinctive ways in which this literature captures the complexities of post civil rights era black experiences In making her arguments regarding the value of popular writing Bragg argues that black women s popular fiction foregrounds gender in ways that are frequently missing from other modes of

narrative production They exhibit a responsiveness and timeliness to the shifting social terrain which is reflected in the rapidly shifting styles and themes which characterize popular fiction In doing so they extend the historical function of African American literature by continuing to engage the black body as a symbol of political meaning in the social context of the United States In popular literature Beauty Bragg locates a space from which black women engage a variety of public discourses

African American Literature, 1993

What Was African American Literature? Kenneth W. Warren, 2012-09-03 African American literature is over With this provocative claim Kenneth Warren sets out to identify a distinctly African American literature and to change the terms with which we discuss it Rather than contest other definitions Warren makes a clear and compelling case for understanding African American literature as creative and critical work written by black Americans within and against the strictures of Jim Crow America Within these parameters his book outlines protocols of reading that best make sense of the literary works produced by African American writers and critics over the first two thirds of the twentieth century In Warren s view African American literature begged the question what would happen to this literature if and when Jim Crow was finally overthrown Thus imagining a world without African American literature was essential to that literature In support of this point Warren focuses on three moments in the history of *Phylon* an important journal of African American culture In the dialogues *Phylon* documents the question of whether race would disappear as an organizing literary category emerges as shared ground for critical and literary practice Warren also points out that while scholarship by black Americans has always been the province of a petit bourgeois elite the strictures of Jim Crow enlisted these writers in a politics that served the race as a whole Finally Warren s work sheds light on the current moment in which advocates of African American solidarity insist on a past that is more productively put behind us
