After A Spell Poems:

After a Spell Nance Van Winckel, 1998 Aroused from stillness a voice bestows a story incarnates a life Dead sister ex lover mystic dog peddler potentate from century to century smitten surviving illuminated united With compassion and with hope these poems embrace both the brutality of the human condition and the ecstasy toward which the spirit reaches Putting her readers ever more deeply under her spell Van Winckel reveres and celebrates every good thing **19½ Spells**

Disguised as Poems Josh Donellan, 2019-12-17 The first thing you should know about this book is that it s DEFINITELY NOT a collection of actual magic spells because magic isn t real obviously Disguising spells as a collection of poems is the kind of wickedly brilliant thing that only an absolute supervillain would do and this poet is not any kind of supervillain He s an actual poet who s won awards and everything and certainly wouldn t disguise a series of spells as a collection of poems about zombies monsters and rapping grandmas What a ridiculous suggestion If you only read one book this year you aren t reading enough books What is wrong with you Read more books And this should be one of them Frederick von Happenstance third Earl of Notwithershshire I asked my grandma to buy me a book to help me with my spelling but she didn t hear me properly and she bought me this book of spells instead I am very happy with it and in unrelated news my annoying brother has been mysteriously turned into a goldfish Cynthia Newtonberry aspiring wizard age 9 and three quarters This is the worst recipe book I have ever read Agatha Malpractice professional lip reader and amateur lip syncer A delicious low calorie snack with a zesty flavour Blurck bookworm

Adele Steiner, 2008-05 The workshops in Look Ma Hands on Poetry are designed to help teachers and poets familiarize elementary through high school students with a variety of creative and fun ways to engage their imaginations and write poetry They do so by encouraging teachers and students to explore together the art of poetry i e the art of employing the five senses to capture experience in language The workshops also introduce young writers to a wide range of poets and the poetic techniques and styles that they have incorporated in their writing As a result when students complete a series of workshops from this book they will know how to write a poem They may enjoy reading more poetry too because they will have a solid understanding of how poetry works Finally there are exciting ideas in Look Ma Hands on Poetry for ways in which young writers can exhibit and perform their poetry The workshops in this book run from 45 60 minutes with the time

divided into three segments In the first the teacher reads and discusses poems that are examples of the types of poetry students will be writing In the second the teacher introduces the writing assignment and has students begin writing Finally students who finish poems are invited to share them in the remaining class time Because poetry is the art of capturing experience in language the workshops are structured around sight smell taste touch and sound Each of the workshops in the first five chapters is geared toward exploring one of these senses and the two later chapters contain workshops that require students to use all five to write their poems As a result workshops from each chapter may be used individually or in sequence to create one or twoweek poetry units that teachers and students can enjoy Workshops in the book include the Sleight of Hand and Animal Mask Workshops wherein students use metaphor simile and personification to create imagery in poems They use music and musical instruments to help them create sound and rhythm in the Native American Chant and Rap Workshops and then they literally play with words to write Bingo and Multiple Voice Poems Young people have opportunities to express their feelings through poetry in the Blues Love Potion and Ode Workshops and finally they use their five senses simultaneously when writing Bubble and Rainbow Poems and when they interpret paintings sculpture and music in Echphrastic Poems The book s final section presents creative ideas for poetry readings books and displays Suggestions for readings include the Poetry Cafe which can incorporate any of the Coffee House Tea Room 1950 s Diner and or Greco Roman Garden venues discussed in this section Student poetry books and chapbooks complete with student art and photos are described here too along with plans for poetry rainbows sidewalks mobiles and poetry word collections
