After Eli:

After Eli Rebecca Rupp, 2015-04-28 Nostalgic interestingly quirky A tribute to those left behind Kirkus Reviews starred review When Daniel's brother Eli is killed at war Daniel considers the history of unusual fatalities to determine what makes a death or a life matter Danny creates a Book of the Dead an old binder that he fills with details about dead people how they died and most important for what purpose Eventually Daniel is prompted to look up from his notebook of death and questions to make new friends and be swept into the moments that start life rolling again Unhappily Ever After Jonathan Peterson, 2023-03-31 Unhappily Ever After is a collection of short horror stories that will leave the reader not only with chills but the question of whether a happy ending is even deserved Sometimes the most eery tales are those that leave you with the unexplained and that is what many of these stories will leave you with This collection takes those traditional monsters like ghosts vampires zombies and werewolves and places them into the modern day world where they can sometimes be unstoppable

Eli's Story Meri-Jane Rochelson, 2018-08-06 Biography of a Jewish doctor who survived and triumphed over the horrors of the Holocaust Eli's Story A Twentieth Century Jewish Life is first and foremost a biography Its subject is Eli G Rochelson MD 1907 1984 author Meri Jane Rochelson's father At its core is Eli's story in his own words taken from an interview he did with his son Burt Rochelson in the mid 1970s The book tells the story of a man whose life and memory spanned two world wars several migrations an educational odyssey the massive upheaval of the Holocaust and finally a frustrating yet ultimately successful effort to restore his professional credentials and identity as well as reestablish family life Eli's Story contains a mostly chronological narration that embeds the story in the context of further research It begins with Eli's earliest memories of childhood in Kovno and ends with his death his legacy and the author's own unanswered questions that are as much a part of Eli's story as his own words The narrative is illuminated and expanded through Eli's personal archive of papers letters and photographs as well as research in institutional archives libraries and personal interviews Rochelson covers Eli's family's relocation to southern Russia his education military service and first marriage after he returned to Kovno his and his family's experiences in the Dachau Stutthof and Auschwitz concentration camps including the deaths of his wife and child his postwar experience in the Landsberg Displaced Persons DP camp and his immigration to the United States where he determinedly restored his medical credentials and started a new family Rochelson recognizes that both the effort of reconstructing events and the reality of having personal accounts that confirm and also differ from each other in detail make the process of gap filling itself a kind of fiction an attempt to shape the incompleteness that is inherent to the story In the epilogue the author reminds readers that the stories of lives don't have clear chronologies They go off in many directions and in some ways they never end An earlier reviewer said of the book Eli's Story combines the care of a scholar with the care of a daughter Both scholars and general readers interested in Holocaust narratives will be moved by this monograph

Eli's Tears M.D. Miller, 2012-12-26 We do not know the day or how the end will come Elis Tears is the fi

rst of three in an adventure playing out what the world might look like after the end arrives Such characters from very different walks of life find themselves walking together to survive Kris crossing themes of love friendship companionship and family weave throughout their adventure Even with loss and separation Miller reminds us through sometimes hilarious dialogue that we are never alone We can always find someone to share our disasters and our victories Just like we never know when or how our own end will come we also don't know how or who our friends will turn out to be **Taylor Before**

and After Jennie Englund,2020-02-18 In journal entries alternating between two timelines before and after a tragic accident Jennie Englund's heartfelt coming of age story Taylor Before and After follows the year that changes one girl's life forever Before Taylor Harper is finally popular sitting with the cool kids at lunch and maybe just maybe getting invited to the biggest most exclusive party of the year After no one talks to her Before she's friends with Brielle Branson the coolest girl in school After Brielle has become a bully and Taylor's her favorite target Before home isn't perfect but at least her family is together After Mom won't get out of bed Dad won't stop yelling and Eli Eli's gone Through everything Taylor has her notebook a diary of the year that one fatal accident tears her life apart In entries alternating between the first and second semester of her eighth grade year she navigates joy and grief gain and loss hope and depression How can Taylor pick up the pieces of what used to be her social life How can her house ever feel like home again after everything that's happened And how can she move forward if she can't stop looking back An Imprint Book Powerful A resonant look at coming of age Kirkus Reviews A Junior Library Guild Selection **The Eli's Cheesecake Cookbook** Maureen Schulman,Tara Lane,Jolene
