Oranges and Snow Milan Djordjević,2020-09-15 Pulitzer Prize winning poet Charles Simic introduces and translates one of Serbia s most important contemporary poets Pulitzer Prize winning poet Charles Simic has done more than anyone since Czeslaw Milosz to introduce English language readers to the greatest modern Slavic poets In *Oranges and Snow* Simic continues this work with his translations of one of today s finest Serbian poets Milan Djordjevi An encounter between two poets and two languages this bilingual edition the first selection of

Djordjevic's work to appear in English features Simic's translations and the Serbian originals on facing pages. Simic, a native Serbian speaker, has selected some forty-five of Djordjevic's best poems and provides an introduction in which he discusses the poet's work as well as the challenges of translation. Djordjevic, who was born in Belgrade in 1954, is a poet who gives equal weight to imagination and reality. This book ranges across his entire career to date. His earliest poems can deal with something as commonplace as a bulb of garlic, a potato, or an overcoat fallen on the floor. Later poems often dreamlike and surreal recount his travels in Germany, France, and England. His recent poems are more autobiographical and realistic and reflect a personal tragedy. Confined to his house after being hit and nearly killed by a car while crossing a Belgrade street in 2007, the poet writes of his humble surroundings, the cats that come to his door, the birds he sees through his window, and the copies of one of his own books that he once burnt to keep warm. Whatever their subject, Djordjevic's poems are beautiful, original, and always lyrical.

New Impressions of Africa Raymond Roussel, 2012-10-28. A new translation of a masterpiece of modernist poetry. Poet, novelist, playwright, and chess enthusiast Raymond Roussel (1877-1933) was one of the French belle époque's most compelling literary figures. During his lifetime, Roussel's work was vociferously championed by the surrealists but never achieved the widespread acclaim for which he yearned. *New Impressions of Africa* is undoubtedly Roussel's most extraordinary work. Since its publication in 1932, this weird and wonderful poem has slowly gained cult status, and its admirers have included Salvador Dalí, who dubbed it the most ungraspably poetic work of the era, André Breton, Jean Cocteau, Marcel Duchamp, Michel Foucault, Kenneth Koch, and John Ashbery. Roussel began writing *New Impressions of Africa* in 1915 while serving in the French Army during the First World War, and it took him seventeen years to complete. It is hard to believe the immense amount of time composition of this kind of verse requires; he later commented, "Mysterious, unnerving, hilarious, haunting, both rigorously logical and dizzyingly sublime, it is truly one of the hidden masterpieces of twentieth-century modernism." This bilingual edition of *New Impressions of Africa* presents the original French text and the English poet Mark Ford's lucid idiomatic translation on facing pages. It also includes an introduction outlining the poem's peculiar structure and evolution, notes explaining its literary and historical references, and the fifty-nine illustrations anonymously commissioned by Roussel via a detective agency from Henri A. Zo.

Günter Eich, 2010-04-19. A bilingual edition of one of the most important German poets of the twentieth century. This is the most comprehensive English translation of the work of Günter Eich, one of the greatest postwar German poets. The author of the POW poem "Inventory" among one of the most famous lyrics in the German language, Eich was rivaled only by Paul Celan as the leading poet in the generation after Gottfried Benn and Bertolt Brecht. Expertly translated and introduced by Michael Hofmann, this collection gathers eighty poems, many drawn from Eich's later work and most of them translated here for the first time. The volume also includes the original German texts on facing pages. As an early member of Gruppe 47, from which Günter Grass and Heinrich Böll later shot to prominence, Eich (1907-72) was at the vanguard of an effort to restore German as a

language for poetry after the vitriol propaganda and lies of the Third Reich Short and clear these are timeless poems in which the ominousness of fairy tales meets the delicacy and suggestiveness of Far Eastern poetry In his late poems he writes frequently movingly and often wryly of infirmity and illness To my mind Hofmann writes there s something in Eich of Paul Klee s pictures both are homemade modest in scale immediately delightful inventive cogent Unjustly neglected in English Eich finds his ideal translator here [The Literary Review](#) ,2006 **Poetry** Harriet Monroe,2006 **Books Ireland** ,2004
