AFTER THE FALL OF

NEW YORK

After The Fall Of New York

Charles Evans Hughes

After The Fall Of New York:

The Decline of Aristocracy in the Politics of New York Dixon Ryan Fox, 1919 **Reports of Committees** United States. Congress. Senate, 1872 *In the Senate of the United States, June 4, 1872...* United States. Congress. Senate, 1872

Secretary's Report Harvard College (1780-). Class of 1882, 1890 To Investigate the Causes of the Decline of Cotton Prices United States. Congress. Senate. Committee on Agriculture and Forestry, 1936 Carnivals and Commonplaces Michael V. Montgomery, 1993 The world of the Hollywood film has been thoroughly landscaped with familiar locales from sitting rooms and staircases to castles roads small towns and river idylls In this book Michael V Montgomery invokes Bakhtin's work on the chronotope to demonstrate that some Hollywood locales have surprisingly ancient progenitors He considers the hermeneutic functions of recognizable chronotopes in the film text and the central importance of the idyllic chronotope for political commentary Dr Montgomery also branches out from Bakhtin's discussion to consider recent locales that appear to be candidates for chronotopes the picaresque highway of the 1960s the troubled New York of the 1970s and the shopping mall of the 1980s *Investigation Into the Conduct* Florida. Legislature, 1870 *Miscellaneous Documents* United States. Congress. House, 1880 **The New York State Reporter** , 1901 The Autobiographical Notes of Charles Evans Hughes Charles Evans Hughes, 1973 Charles Evans Hughes 1862 1948 was lawyer governor of New York Supreme Court Justice presidential candidate in 1916 Secretary of State in the Harding and Coolidge administrations a member of the World Court and Chief Justice of the United States from 1930 until his retirement in 1941 To some Hughes appeared larger than life Robert H Jackson once said of him He looks like God and talks like God But to those who knew him well he was quite human extraordinarily gifted but human nonetheless His Autobiographical Notes portray him as no biography could and provide comment on almost a century of American history as seen by one who played a part in shaping its course Hughes's notes reveal two sides of his personality a serious side when he was at work and a genial sometimes humorous side when he was relaxing or with friends and family When he writes of unofficial life especially his boyhood college years and early years at the bar he is raconteur telling his story with a certain amount of humor when he writes of his official life he tends to be matter of fact The early chapters describe the formative influence which shaped his character his loving but intellectually demanding parents and deeply religious training his unusual early education which took place mostly at home and gave full scope to his precocity Hughes's accounts of college life in the 1870s at Madison now Colgate and Brown University and of his career as a young lawyer in the New York City of the 1880s and 1890s are valuable portraits of an era Brought up to a high sense of duty Hughes from the start of his career felt bound to take worthy legal cases and it was his reputation for integrity and thoroughness that led to his selection as counsel in the gas and insurance investigations of 1905 1906 This was the turn of events that precipitated him into the public eye and subsequently into politics The culmination of his career came in 1937 when he led the Supreme Court through a constitutional crisis and confronted Franklin Roosevelt in the Court packing battle

In the intervening thirty years Hughes was a major figure in American political and legal circles His Notes record his impressions of presidents statesmen and justices His reflections on the diplomacy of the 1920s and on the causes leading up to the Second World War are of immense historical importance The editors have supplied an introduction to the Notes commenting on Hughes s personality and public image his political style and rise to fame They have remained unobtrusive throughout intervening only to clarify references and provide necessary details For the rest they let Hughes speak for himself in the crisp and clear style that reveals his unusual intelligence and the retentive and analytical mind that distinguished his conduct of affairs Justice Felix Frankfurter wrote of Hughes I have known or know about most of the leading men of my time both here and in England enough to justify me in forming a judgment There isn t the slightest doubt that C E H is among the few really sizable figures of my lifetime He is three dimensional and has impact Here in these Notes is this great man drawn in life size proportions

State of New York Supreme Court Appellate Division-Second Department ,1908 **Causes of General Depression in Labor and Business** United States. Congress. House. Select committee on depression in labor and business,1879 BG copy1 From the Collection of Professor Peter R Knights **Documents of the Assembly of the State of New York** New York (State). Legislature. Assembly,1911 **Boer, Burgher, Businessman** Maren Dingfelder Stone,2007 The study is an imagological analysis of Dutch immigrants in the United States giving insights into stereotyping identity formation and the marketing of ethnicity Tracing Dutch American literary images through four centuries of writing in America the study emphasizes the continuity of Dutch American history The assessment of images in their socio cultural context reveals the disparity between literary and socio cultural perception the latter of which often evokes Dutch ethnicity in the United States as a mere means to an end While the study ascertains which images of Dutch Americans have dominated public perception it also investigates the origins of such images their persistence irrespective of time and location and the reasons for their fluctuating interpretations

The Atlantic Reporter ,1917 **A Digest of New York Statutes and Reports** Austin Abbott,1891 *Third Report of the Secretary of the Class of 1881 of Harvard College* Harvard College (1780-).
