Against Praxeas:

Against Praxeas Tertullian, Aeterna Press, 2015-07-31 In the course of time then the Father forsooth was born and the Father suffered God Himself the Lord Almighty whom in their preaching they declare to be Jesus Christ We however as we indeed always have done and more especially since we have been better instructed by the Paraclete who leads men indeed into all truth believe that there is one only God but under the following dispensation or as it is called that this one only God has also a Son His Word who proceeded from Himself by whom all things were made and without whom nothing was made Aeterna Press

Against Praxeas Tertullian, 2018-08-19 Tertullian defends the Holy Trinity stating that Praxeas beliefs are heresy In various ways has the devil resisted the truth Sometimes his aim has been to destroy the truth by defending it He maintains that there is one Lord the Almighty Creator of the world in order that out of this doctrine of the unity he may fabricate a heresy

Tertullian Against Praxeas Tertullian, Alexander Souter, 1920 *The Routledge Companion to Early Christian Thought* D. Jeffrey Bingham, 2009-12-15 The shape and course which Christian thought has taken over its history is largely due to the contributions of individuals and communities in the second and third centuries Bringing together a remarkable team of distinguished scholars *The Routledge Companion to Early Christian Thought* is the ideal companion for those seeking to understand the way in which Early Christian thought developed within its broader cultural milieu and was communicated through its literature especially as it was directed toward theological concerns Divided into three parts the Companion asks how Christianity's development was impacted by its interaction with cultural philosophical and religious elements within the broader context of the second and third centuries examines the way in which Early Christian thought was manifest in key individuals and literature in these centuries analyses Early Christian thought as it was directed toward theological concerns such as God Christ Redemption Scripture and the community and its worship

Tertullian Geoffrey D. Dunn, 2004-06-25 This book is the first accessible introduction in English to Tertullian's works providing translations of *Adversus Iudaeos* *Against the Jews* *Scorpiace* *Antidote for the Scorpion's Sting* and *De Verginibus Velandis* *On the Veiling of Virgins* Tertullian c AD 160-225 was one of the first theologians of the Western Church and ranks among the most prominent of the early Latin fathers His literary output is wide ranging and provides an invaluable insight into the Christian Church in the crucial period when the Roman Empire was in decline These crucial works studied together with Geoffrey D Dunn's comprehensive commentary illuminate the early church's reaction to paganism Judaism Scripture and its development of a distinctive Christian ethic

The Spirit of Truth Haitham A. Issak, 2023-09-12 The fourth century was different than the previous centuries due to two big heresies The first one was the heresy of Arius who denied the divinity of the Son This heresy led to the Council of Nicaea in 325 in which the church fathers affirmed the divinity of the Son of one substance with the Father The second heresy was that of the Tropici who denied the divinity of the Holy Spirit and said that the Holy Spirit was a creature or an angel At that time Athanasius was one of the most important leaders in the life of the church He wrote

against the Tropici as he addressed them in his letters to Serapion These letters are the major work of Athanasius concerning the Holy Spirit The Spirit of Truth explains the way that Athanasius dealt with the heresy and elucidates the pneumatology of Athanasius s use of the Gospel of John and 1 John It also discusses Athanasius s understanding of tradition Scripture and hermeneutical principles in his defense of the Godhead particularly the divinity of the Holy Spirit For Athanasius the Holy Spirit is eternal divine uncreated and one with the Father and the Son

Tertullian - Against Praxeas Quintus Tertullianus,2015-12-22 In this book Tertullian Defends in all Essential Points the Doctrine of the Holy Trinity stating that Praxeas beliefs are heresy In various ways has the devil rivalled and resisted the truth Sometimes his aim has been to destroy the truth by defending it He maintains that there is one only Lord the Almighty Creator of the world in order that out of this doctrine of the unity he may fabricate a heresy Praxeas was a Monarchian from Asia Minor He believed in the unity of the Godhead and vehemently disagreed with any attempt at division of the personalities or personages of the Father Son and Holy Spirit in the Christian Church
