Against Darkening Sky:

Against a Darkening Sky Janet Lewis, 1985 *Against a Darkening Sky* was originally published in 1943 Set in a semirural community south of San Francisco it is the story of an American mother of the mid 1930s and the sustaining influence she brings through her own profound strength and faith to the lives of her four growing children Scottish by birth but long a resident of America Mary Perrault is married to a Swiss French gardener Their life in South Encina though anything but lavish is gay serene and friendly As their children mature and the world outside less peaceful and secure than the Perrault home begins to threaten the equilibrium of their tranquil lives Mrs Perrault becomes increasingly aware of a moral wilderness rising from the physical wilderness which her generation has barely conquered Her struggle to influence while not invading the lives of her children is the focus of this novel of family life during the Depression years [Against A Darkening Sky](#) Lauren B. Davis, 2018-02-14 From the author of the acclaimed *Our Daily Bread* and *The Empty Room* comes a rich and fascinating new novel of mysterious magic riddled 7th century England *Against A Darkening Sky* transports the reader to a rich yet violent past where a young woman is torn between her deepest beliefs and her desire to belong in a changing world Wilona the lone survivor of a plague that has wiped out her people makes her way across the moors to a new life in the village of Ad Gefrin where she is apprenticed to Touilt a revered healer and seeress She blossoms under Touilt's tutelage and will one day take her place but as an outsider she is viewed with suspicion by all except Margawn a warrior in the lord's hall When the king proclaims a conversion to the new Christian religion Ad Gefrin becomes a dangerous place for Wilona and Touilt Their very lives are at risk as the villagers embrace the new faith and turn against the old ways even as Wilona's relationship with Margawn grows Wilona's fate becomes intertwined with that of Egan a monk sent to Ad Gefrin as part of the Christian mission both will see their faith and their loyalties tested Torn between her deepest beliefs and a desire to belong in a confusing changing world Wilona must battle for survival dignity and love against overwhelming odds Seamlessly combining timeless choices and struggles and rich nuanced historical detail that brings pagan Britain to life *Against a Darkening Sky* is an exquisitely rendered work of fiction from one of Canada's most acclaimed and celebrated novelists *To Guard Against the Dark* Julie E. Czerneda, 2017-10-10 The final book in the hard science fiction Reunification trilogy the thrilling conclusion to the award winning *Clan Chronicles* Jason Morgan is a troubling mystery to friends and enemies alike once a starship captain and trader then Joined to the most powerful member of the Clan Sira di Sarc following her and her kind out of known space Only to return alone and silent But he's returned to a Trade Pact under siege and desperate The Assemblers continue to be a threat Other species have sensed opportunity and threaten what stability remains including those who dwell in the M'hir What Morgan knows could save them all or doom them For not all of the Clan followed Sira And peace isn't what they seek **Scientific Debates in Space Science** Warren David Cummings, Louis J. Lanzerotti, 2023-12-07 This book features several of the significant scientific debates and controversies that helped develop

space science in the early space era The debates led to significant new understandings of the constituents and processes occurring beyond Earth's atmosphere and often opened new research directions Scientific speculations with their resultant debates have played an important role in the development and furthering of research in general The book thus has broad intellectual importance in illustrating how science advances The book includes debates in the subject areas of heliophysics physics in the cosmic region that covers particles and magnetic fields flowing from the Sun Earth's moon solar system asteroids and comets and the origin of cosmic gamma ray bursts A final chapter describes two important and surprising early scientific discoveries that involved no debates The target audience for this book includes a active and retired space scientists b space enthusiasts and c students as supplemental or even prime reading in an introductory astronomy and or space science course The topics of the debates and controversies their resolutions and their pointing to further research and understanding of nature are of both historical and contemporary interest appeal and value
