Against John Hick:

Against John Hick Terry Richard Mathis, 1985 The aim of this study is to examine and critically evaluate the philosophy of religion of John Hick I refer to his having a philosophy of religion in the sense that he advocates a method of philosophical inquiry and consequently an understanding of religious phenomena that he takes to be integral to his own unique philosophical theology In order to evaluate his views in their context the first three chapters provide an introduction both to his overall position and to the contemporary issues with which he deals Thereafter I proceed with my criticisms finding most importantly that he does not have sufficient justification for the kind of theistic claims he wants to make I reach this conclusion by playing him against his own empirical orientation to matters of fact and since the veracity of his account of this empiricist linguistic framework is assumed my evaluation of his work is carried on internally My criticisms generally depend upon a lack of consistency and coherence within Hick s system of thought itself Little attention is given to the strengths and liabilities of any particular philosophical or theological orientation he may adopt My strategy is to assume the legitimacy of these orientations in the manner they happen to be construed by his system In doing so I find that he attempts to build upon a secular empiricist base that excludes the possibility of the theological superstructure he hopes to erect

[A Defense of Christian Theology Against John Hick](#) Matthew Smith, 2012-08-25 The fact is that religion the bond which exists between God and mankind has always had three essential aspects The first aspect is that God has acted to establish a covenant or legal agreement to govern the relationship between Himself and us The second aspect is that this covenant necessarily includes information about God which we call revelation The third aspect is that God enforces the terms of the covenant in a series of redemptive acts acts which Christianity says include incarnation and satisfaction Thus Hick s pluralism fundamentally fails to account for religion since an ineffable deity cannot be involved in any of the essential aspects of a religion The only relevant question regarding the status of any religion is whether that religion is true If a religion is true everything which it teaches and implies is thereby established if a religion is false there can be no grounds upon which its practice is valid This question when applied to Christianity reduces to the question of whether Jesus is Lord Once this is believed the dignity of His work the truth of His teachings the authority of His apostles and the importance of His church are all established Without Christ Christianity is deism and not worth practicing With Christ Christianity is the divinely authorized religion which demands the belief of the entire world For these reasons Christianity simply cannot be combined with pluralism since its exclusivism is inherent in the belief that Jesus is Lord from the text

Evil and the Evidence for God R. Douglas Geivett, 1995-08 How to reconcile the existence of evil with the belief in a benevolent God has long posed a philosophical problem to the system of Christian theism This work redress this difficulty in modern terms

[John Hick](#) David Cheetham, 2017-05-15 John Hick is considered to be one of the greatest living philosophers of religion Hick s philosophical journey has culminated in the grand proposal that we should see all the major world religions as equally valid responses to the same ultimate reality the Real This

book presents a critical introduction to John Hick's speculative theology and philosophy. The book begins where Hick began with the problems of religious language and ends where Hick is now exploring the questions of religious plurality. Incorporating early aspects that Hick himself would now wish to qualify as well as explanations that reflect Hick's present focus, Cheetham offers some speculative reflections of his own on key topics, highlighting Hick's influence on contemporary theology and philosophy of religion. All those studying the work of this great philosopher and theologian will find this new introduction offers an invaluable overview along with fresh critical insight.

Faith and Knowledge John Hick, 2009-08-01. In this revision of his widely read study, John Hick has taken advantage of constructive comments on the first edition to make the book more useful. New material has been added and the overall structure of the volume has been changed to strengthen it both as an introduction to the problem of religious knowledge and as an exposition of the view of faith that seems to him most adequate. There is a new chapter on the Thomist Catholic view of faith, a new treatment of the controversial notion of eschatological verification, taking account of various published critiques of the concept, and a new section on the way in which the Christian faith awareness of God expresses itself in a distinctive way of life.

A John Hick Reader John Hick, 2011-07-05. Canonical criticism is not a recognized branch of biblical studies, granting new focus to questions of the authority and truth of the scriptural writings. Developed within a critical sense of the dominant historical-critical tone of biblical studies, canonical criticism as it has been pursued by the American scholars Brevard S. Childs and James A. Sanders stands as witness to the theological necessity of a more literary approach to the Bible. This book both criticizes the canonical enterprise and takes it much further into readings of the canon from the perspective not only of literature but also art and, in particular, the biblical art of Rembrandt. In addition, it remains acutely conscious of the contemporary environment of our reading, within the political concerns of feminist criticism, popular absorption in film, and the narratives of the screen, and finally the crisis or crises which characterize the so-called postmodern condition. What emerges is at once highly critical of traditional strategies of canonization and at the same time constructive and concerned to recover the Bible for our own time in readings which move outside the limited academic concerns of the biblical critic or the institutions of the church and religious community.

Against Irenaean Theodicy David Hionides, 2019. This book serves to correct the now accepted understanding of Irenaeus's theodicy. This assumption of Hick's theodicy as legitimately Irenaean remains due to the gulf between Irenaean scholarship and discussion of the problem of evil. The present work offers a bridge between the two to allow for the continued discussion of both theologian's distinct views.

Problems in the Philosophy of Religion Harold Hewitt, 2011-08-30. Hewitt is Executive VP of Chapman University. He is a graduate of Cornell College, Iowa, and of The Claremont Graduate University's Drucker Center, where he earned his MBA with a concentration in finance. John Hick is Danforth Professor Emeritus of Religion at Claremont Graduate School.

John Hick and the Universe of Faiths Christopher Sinkinson, 2016-09-01. John Hick was one of the twentieth century's most influential and creative philosophers of

religion In this book Sinkinson charts the development of Hick s thinking over his life and how this shaped his engagement with world religions Attention is paid to Hick s epistemology and how this was key in his interpretation of both his own religion and the phenomena of religious pluralism It can be shown that the development of Hick s thought is the legacy of the liberal theology of the Enlightenment The project begun by Immanuel Kant and Friedrich Schleiermacher is shown to find clear expression in the developed theology of religions proposed by Hick The book includes a survey of his important books and a transcript of the last recorded radio dialogue that Hick had with an evangelical theologian **John Hick's Theodicy**

C Robert Mesle,1991-07-30 **John Hick's Religious Pluralism in Global Perspective** Sharada

Sugirtharajah,2023-01-01 This volume contains fresh scholarly contributions to mark the birth centenary of John Hick the internationally well known philosopher of religion whose works continue to have significant global relevance in today s religiously diverse and conflict ridden world His writings have reset the parameters of religious pluralism Up till now Hick s religious pluralism has been mainly seen in relation to the Western context where Christianity is the predominant religion This volume includes both Western and non Western engagement with his thinking in contexts such as Japan China Korea Nigeria and India where Christianity is a minority religion with little political power Its distinctiveness lies in widening the debate on religious pluralism by bringing Hick s pluralistic hypothesis into a constructive cross cultural and interreligious conversation with scholars of Hinduism Jainism Daoism Judaism Christianity Islam and African traditional religions In doing so this collection examines how Hick s philosophy of religious pluralism has been received appropriated and appraised by these scholars It has been appreciated and critiqued in equal measure and continues to impact on current thinking on religious pluralism This volume makes a significant contribution to the debate initiated by Hick Evil and the God of Love

J. Hick,2010-04-09 When first published Evil and the God of Love instantly became recognized as a modern theological classic widely viewed as the most important work on the problem of evil to appear in English for more than a generation Including a foreword by Marilyn McCord Adams this reissue also contains a new preface by the author John Hick's

Pluralist Philosophy of World Religions Paul Rhodes Eddy,2020-08-26 This title was first published in 2002 One of the most fascinating and controversial interpretations of religious diversity is religious pluralism According to John Hick s model of religious pluralism all the world s great religions are equally valid ways of understanding and responding to the ultimate spiritual reality This book offers an exposition of and critical response to John Hick s model Introducing the various interpretations of religious diversity being discussed today this book presents constructive suggestions as to how things could be further developed to offer a more accurate less confusing presentation of the various options in theology of religions The standard threefold typology of responses to religious diversity exclusivism inclusivism and pluralism are explained and defended Hick s pluralist interpretation of religious diversity is traced culminating in a critical assessment of Hick s pluralistic model and an up to date summary of a variety of critiques directed toward Hick s proposal Paul Rhodes Eddy

concludes that Hick's present model is ultimately unsuccessful in retaining both of his long cherished goals a robust religious realism and a consistent religious pluralism whilst overcoming the most difficult problem for the pluralist the fact that the world's religions understand the divine in often contradictory ways

The Second Christianity John Hick, 2009-08-01 In the contemporary world John Hick argues there are two Christianities In one the Bible is seen as uniquely inspired and authoritative and the Christian worldview is accordingly identified with that of the late first century church The gospel is an offer of personal salvation and often a call to us against them religious patriotism In the other there is an overriding concern for our one world and our common humanity leading to preoccupation with the global problems of nuclear destruction the squandering of precious energy resources the divide between rich and poor in the world and the population explosion The great religious traditions are seen as representing different awarenesses of and different responses to a divine Reality which transcends all our human thoughts and images scriptures and cults Hick's book describes the religious core of this second Christianity the Christianity which is not the tribal religion of one section of humanity over against the rest but rather one way amongst others of living out our common humanity in relation to a divine Presence which grasps us all It has grown out of two earlier works *Christianity at the Centre* and *The Centre of Christianity*

The Universe of Faiths Christopher Sinkinson, 2001 John Hick has been one of the most prominent controversial and respected theologians to argue against the orthodox Christian position this book takes up this stance by conducting an extensive analysis of Hick's thought from its earliest inception to its most recent expression

Dialogues in the Philosophy of Religion J. Hick, 2010-04-07 This is a collection of John Hick's essays on the understanding of the world's religions as different human responses to the same ultimate transcendent reality He is in dialogue with contemporary philosophers some of whom contribute new responses with Evangelicals with the Vatican and other both Catholic and Protestant theologians

Knowing the Real Kenneth Rose, 1996 *Knowing the Real* analytically and critically approaches two themes central to John Hick's thought the cognitivity of religions and religious pluralism Hick's early attempts to conceive that which can count as a verifying eschatological experience led him to call for a Copernican revolution in theology In response to criticism that this call aroused Hick developed a theory of religious pluralism based on a reading of Kant that he calls the pluralistic hypothesis

Revising John Hick's Irenaean Theodicy Phillip Kuna, 2010-04 This book offers an approach to the problem of evil that is distinctively Christian insofar as it is based on the redemptive suffering of Christ as well as the working of the Spirit within the Christian community To accomplish this Kuna first analyzes the Irenaean theodicy of John Hick Arguing against his post Enlightenment approach to evil he shows how Irenaeus seen in his proper historical context of the refutation of the Gnostic heresy enables one to concretely approach the problem of evil without having to solve apparently conflicting abstract statements about God and evil

A John Hick Reader J. Hick, 1990-05-09 John Hick is one of the most widely read and discussed living writers in modern theology and the philosophy of religion This book offers students a one volume textbook on his thought Extracts from

his writings cover all the various themes for which Hick has become known Faith and Knowledge Philosophy of Religion Evil and the God of Love Death and Eternal Life The Myth of God Incarnate and Problems of Religious Pluralism The extracts are preceded by an introductory essay by Paul Badham on John Hick's philosophical theology and on the integrity of his life and thought

Four Views on Salvation in a Pluralistic World Zondervan, 2010-09-21 Religious pluralism is the greatest challenge facing Christianity in today's Western culture The belief that Christ is the only way to God is being challenged and increasingly Christianity is seen as just one among many valid paths to God In *Four Views on Salvation in a Pluralistic World* four perspectives are presented by their major proponents Normative Pluralism All ethical religions lead to God John Hick Inclusivism Salvation is universally available but is established by and leads to Christ Clark Pinnock Salvation in Christ Agnosticism regarding those who haven't heard the gospel Alister McGrath Salvation in Christ Alone Salvation depends on explicit personal faith in Jesus Christ alone R Douglas Geivett and W Gary Phillips This book allows each contributor to not only present the case for his view but also to critique and respond to the critiques of the other contributors The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair minded and respectful of the biblical text Each volume is a one stop reference that allows readers to evaluate the different positions on a specific issue and form their own educated opinion

Immerse yourself in the artistry of words with is expressive creation, **Against John Hick** . This ebook, presented in a PDF format (*), is a masterpiece that goes beyond conventional storytelling. Indulge your senses in prose, poetry, and knowledge. Download now to let the beauty of literature and artistry envelop your mind in a unique and expressive way.

Against John Hick Introduction

In today's digital age, the availability of Against John Hick books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Against John Hick books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Against John Hick books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Against John Hick versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Against John Hick books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Against John Hick books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Against John Hick books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Against John Hick books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient

means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Against John Hick books and manuals for download and embark on your journey of knowledge?

FAQs About Against John Hick Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Against John Hick is one of the best book in our library for free trial. We provide copy of Against John Hick in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Against John Hick. Where to download Against John Hick online for free? Are you looking for Against John Hick PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Against John Hick. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Against John Hick are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Against John Hick. So depending on what

exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Against John Hick To get started finding Against John Hick, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Against John Hick So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Against John Hick. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Against John Hick, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Against John Hick is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Against John Hick is universally compatible with any devices to read.
