Wikipedia *Against the Grain* Joris-Karl Huysmans, 2015-03-04. Joris Karl Huysmans *Against the Grain* Rebour's Vollständige Neuausgabe. Herausgegeben von Karl Maria Guth. Berlin 2015. Umschlaggestaltung von Thomas Schultz Overhage. Gesetzt aus Minion Pro 11 pt. Against the Grain Joris-Karl Huysmans, 2012-08-15. The Floressas Des Esseintes, to judge by the various portraits preserved in the Chateau de Lourps, had originally been a family of stalwart troopers and stern cavalry men. Closely arrayed side by side in the old frames, which their broad shoulders filled, they startled one with the fixed gaze of their eyes, their fierce moustaches, and the chests whose deep curves filled the enormous shells of their cuirasses. *Against the Grain (À Rebour's)* J. K. Huysmans, 2008. Described as *A Novel Without a Plot*. J. K. Huysmans's *Against the Grain*. A Rebour's is a relatively simple story. It concerns the seclusion of one Des Esseintes, the last member of a once powerful and noble family. Having lived an extremely decadent life, Des Esseintes finds himself disgusted with human society and retreats to a house in the countryside where he is intent upon spending the rest of his days in intellectual and aesthetic contemplation. Because of its decadent content, *Against the Grain* created quite a stir when it was first published and, in breaking from the Naturalist school of literature, Huysmans's work established itself as a major piece of the Symbolist aesthetic. *Against the Grain* Joris-Karl Huysmans, 1922. **Against the Grain** J. Huysmans' novel *Against the Grain* Rebour's epitomizes the Decadent movement of the late 19th century, diverging sharply from prevailing literary norms. This work intricately weaves the life of Des Esseintes, an ailing aristocrat who retreats into a world of artifice, exploring sensory excess through his contempt for the banalities of contemporary society. Huysmans' prose is characterized by rich, vivid imagery and a meticulous attention to detail, illustrating the protagonist's aestheticism and obsessive quest for beauty. This literary exploration serves as both a critique of naturalism and a profound inquiry into the complexities of desire and individuality within the backdrop of a rapidly industrializing France. J. K. Huysmans, a former naturalist turned toward the Decadent aesthetic after disillusionment with the conventions of the literary movements of his time. His experiences in

Parisian high society and his burgeoning interest in the spiritual and the exotic significantly influenced his writing. Huysmans not only presents *Des Esseintes* as a reflection of his own struggles but also offers a commentary on the artifice of modern life, drawing readers into a labyrinth of psychological introspection. *Against the Grain* is highly recommended for those who appreciate the complexities of human emotion and the aesthetics of excess. Its daring rejection of societal norms and its intricate exploration of the inner self make it a profound and engaging read. This seminal work remains relevant, inviting readers to examine their own lives in the face of an increasingly superficial world. In this enriched edition, we have carefully created added value for your reading experience. A succinct Introduction situates the work's timeless appeal and themes. **Against Nature** Joris-Karl Huysmans, 2009-05-28 It will be the biggest fiasco of the year but I don't care a damn. It will be something nobody has ever done before and I shall have said what I had to say. As Joris Karl Huysmans announced in 1884, *Against Nature* was fated to be a novel like no other. Resisting the models of classic nineteenth-century fiction, it focuses on the attempts of its anti-hero, the hypersensitive neurotic and aesthete Des Esseintes, to escape Paris and the vulgarity of modern life. Holed up in his private museum of high taste, he offers Huysmans's readers a treasure trove of cultural delights which anticipates many of the strains of modernism in its appreciation of Baudelaire, Moreau, Redon, Mallarmé, and Poe. This new translation is supplemented by indispensable notes which enhance the understanding of a highly allusive work. **Against Nature** Joris-Karl Huysmans, 2003-05-01 The hero of this curious novel is Des Esseintes, a neurasthenic aristocrat who has turned his back on the vulgarity of modern life and retreated to an isolated country villa. Here, accompanied only by a couple of silent servants, he pursues his obsessions with exotic flowers, rare gems, and complex perfumes, and embarks on a series of increasingly strange aesthetic experiments, starting with the decision to give his giant pet tortoise a jewel-encrusted shell. **Against Nature** J.-K. Huysmans, 2011-02-19 *Against Nature* is Huysmans's great finale novel, anticipating many of the strains of modernism in its appreciation of Baudelaire, Moreau, Redon, Mallarmé, and Poe. It will be the biggest fiasco of the year but I don't care a damn. It will be something nobody has ever done before and I

shall have said what I had to say As J K Huysmans announced in 1884 *Against Nature* was fated to be a novel like no other The hero des Esseintes is a neurasthenic aristocrat who has turned his back on the vulgarity of modern life and retreated to an isolated country villa Here accompanied only by a couple of silent servants he pursues his obsessions with exotic flowers rare gems and complex perfumes and embarks on a series of increasingly strange aesthetic experiments starting with the decision to give his giant pet tortoise a jewel encrusted shell Huysmans study of obsession and aesthetics got up no end of reviewers noses on its 1884 publication It s not hard to see why decadent aristocrat Jean Floressas des Esseintes afflicted by nerves so grievous they cause his spine to freeze when he sees a servant wringing out washing takes turns kicking out at classical poets modern novelists and the church The poor are grotesque the rich are decaying and the bourgeoisie simply insufferable Only Dickens Baudelaire and the odd enema provide respite Cloistered in an opulent house in the suburbs of Paris Des Esseintes undertakes a series of experiments in living which prove to be an absolute hoot He decorates an unfortunate tortoise with precious stones tries to go to England but only makes it as far as a nearby pub and attempts to turn an urchin into a killer by buying him credit at a brothel This largely plotless mix of bilious satire broad comedy and literary criticism may have lost some of its immediacy but it remains a captivating contradictory work of art James Smart in *The Guardian*
