Agatha Christie An Autobiography:

Agatha Christie Agatha Christie,1977 Agatha Christie presents memories of her life **An Autobiography** Agatha Christie,2010-06-08 The autobiography of the queen of mystery Agatha Christie **Agatha Christie** Agatha Christie,2012

Agatha Christie Agatha Christie,1980 *Agatha Christie* Janet P. Morgan,1984 Leven en werk van de Engelse detectiveschrijfster Agatha Christie 1890 1976 **Ac - An Autobiography Agatha Christie** Agatha Christie,1993 Dame Agatha Christie sheds light on her secretive life and tells of her early years her marriages and rise to success *Agatha Christie: A Biography (Creator of Hercule Poirot and Miss Marple)* Keely Bautista,2012-03-02 This book is part of Hyperink s best little books series This best little book is 3 800 words of fast entertaining information on a highly demanded topic Based on reader feedback including yours we may expand this book in the future If we do so we ll send a free copy to all previous buyers

ABOUT THE BOOK Agatha Christie s own life was in many ways as mysterious as those of her characters Assuredly it was her predilection for the cryptic that led her to create the fiery yet unfathomable Belgian detective Hercule Poirot Yet while Poirot epitomizes the image of the enigmatic detective his creator was just as inscrutable making her own life a story worthy of a novel of its own Agatha Christie s other great creation Jane Marple seems far more accessible but she keeps her own counsel as well a trait that Agatha Christie perfected in her own life It came as no great surprise to her fans that after her death secrets from Christie s life suddenly tumbled out in the form of newly discovered archived recordings she had made decades before These recordings completely unknown to the public provide a new insight into her creations and created a fascinating denouement that Agatha would have loved Why have the writings of this exacting rather reclusive author resonated with the public for so many generations The secret is one that Agatha knew well her stories are about people we can relate to in real life As Hercule Poirot was fond of saying everyone has the makings of a criminal in him the key to success in life is in how we master those darker feelings As we read an Agatha Christie novel we realize that we ourselves could easily be one of the characters and yes even the murderer

EXCERPT FROM THE BOOK Other than its inventive plot a major reason for the success of this first novel was the quirky yet captivating character of Hercule Poirot who was inspired by the Belgian refugees living in England whom Agatha had met during the First World War She recalled that they had a hard time understanding the British way of doing things and preferred to assimilate as little of British life as possible Throughout the 1920s Agatha completed to write and produced one of her greatest successes The Murder of Roger Ackroyd in 1926 This novel was a sensation with the reading public because of its unexpected and even shocking ending and was so popular that it was made into a movie in 1931 Alibi which marked the first film appearance of Hercule Poirot The 1930s however proved to be Agatha s most productive time as a writer During this decade she wrote a total of 14 Poirot novels and two Miss Marple novels as well as two books featuring the character Superintendent Battle two story collections featuring the characters Harley Quin and Mr Parker Pyne four additional mystery books two plays and a novel under her

Worsley,2022-09-08 A new fascinating account of the life of Agatha Christie from celebrated literary and cultural historian Lucy Worsley Nobody in the world was more inadequate to act the heroine than I was Why did Agatha Christie spend her career pretending that she was just an ordinary housewife when clearly she wasn't Her life is fascinating for its mysteries and its passions and as Lucy Worsley says She was thrillingly scintillatingly modern She went surfing in Hawaii she loved fast cars and she was intrigued by the new science of psychology which helped her through devastating mental illness So why despite all the evidence to the contrary did Agatha present herself as a retiring Edwardian lady of leisure She was born in 1890 into a world that had its own rules about what women could and couldn't do Lucy Worsley's biography is not just of a massively internationally successful writer It's also the story of a person who despite the obstacles of class and gender became an astonishingly successful working woman With access to personal letters and papers that have rarely been seen Lucy Worsley's biography is both authoritative and entertaining and makes us realize what an extraordinary pioneer Agatha Christie was truly a woman who wrote the twentieth century
