*The Age of Innocence* Edith Wharton, 1996-03-01 Edith Wharton's acclaimed novel of love duty and half known truths in Gilded Age New York society with a foreword by bestselling author Elif Batuman Dutiful Newland Archer an eligible young man from New York high society is about to announce his engagement to May Welland a suitable match from a good family when May's cousin the beautiful and exotic Countess Ellen Olenska is introduced into their circle The Countess brings with her an aura of European sophistication and a hint of perceived scandal having left her husband and claimed her independence Her worldliness disregard for society's rules and air of unapproachability attract the sensitive Newland despite his enthusiasm about a marriage to May and the societal advantages it would bring Almost against their will Newland and Ellen develop a passionate bond and a classic love triangle takes shape as the three young people find themselves drawn into a poignant and bitter conflict between love and duty Written in 1920 Edith Wharton's Pulitzer Prize winning novel about a time and place long gone by 1870s New York City beautifully captures the complexities of passion independence and fulfillment and how painfully hard it can be for individuals to truly see one another and their place in the world For more than seventy years Penguin has been the leading publisher of classic literature in the English speaking world With more than 1700 titles Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators

**White Liberal Identity, Literary Pedagogy, and Classic American Realism** Phillip Barrish, 2005 White Liberal Identity Literary Pedagogy and Classic American Realism brings literary works from the turn of the last century face to face with some of the dilemmas and paradoxes that currently define white liberal identity in the United States Phillip Barrish develops fresh analytic and pedagogical tools for probing contemporary white liberalism while also offering new critical insights and classroom approaches to American literary realism New ground is broken by using bold close analysis of works by canonical American realist writers such as Henry James Edith Wharton Mark Twain and Kate Chopin These contexts include an affirmative action court case the liberal arts classroom and the war on drugs as well as current debates about the United States role on the international scene Invoking a methodology that he calls critical presentism Barrish's book offers a fresh response to that perennial classroom question often posed most forcefully by students committed to progressive political agendas why devote so much time and effort to detailed analyses of canonical American literature This book makes specific contributions not only to American literary and cultural studies but also to critical race theory masculinity studies and critical pedagogy from back cover
