*Aeroplane and Commercial Aviation News* ,1913      **Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office,1960 Includes Part 1 Number 2 Books and Pamphlets Including Serials and Contributions to Periodicals July December      *La Opinión* ,1999      **1777** John S. Pancake,1977-06-30 A detailed study of the British invasion from Canada during the War of Independence No one who has read the history of the War of Independence can fail to be fascinated by the campaign of Gentleman Johnny Burgoyne The story evokes pictures in the mind s eye scarlet coated Englishmen the green and blue uniforms of the German mercenaries the flash of brass and silver and steel accoutrements the swarms of Indians in their war paint the whole moving through the green forests or sailing the blue waters of lakes and rivers Even the names have a lyrical tone Richelieu Champlain Oriskany Ticonderoga and La Chine Part of this fascination is the fact that the fate of the expedition marked a turning point in the history of the war It is not surprising that there has been a host of chroniclers scholars and novelists and those who fall in a category somewhere between because their artistry bridges the gaps that footnoted facts cannot and so allows some scope for imagination and may teach more history than the rest This fascination was partly responsible for Pancake s exploration of this particular part of the history of the war There was also the fact that no scholar since Hoffman Nickerson in his *Turning Point of the Revolution* 1926 has attempted a detailed study of the British invasion from Canada although there has been a vast amount of literature on specific aspects of the campaign No study to date has attempted to link the Canadian expedition to the concurrent operation of General Sir William Howe in Pennsylvania in such a way as to present a complete story of the campaign of 1777 From the point of its inception and launching by the American Secretary Lord George Germain to the point where it was reduced to a shambles at the end of the year      *The American People* Gary B. Nash,2001 Emphasizing social history especially as it applies to discussions of race class and gender *The American People* 5 e presents the lives and experiences of all Americans all national origins and cultural backgrounds at all levels of society and in all regions of the country The narrative integrates discussion of public events such as presidential elections wars and reform movements with the private stories of ordinary Americans who participated in and responded to these events As it unfolds the drama of American history *The American People* highlights the political social economic technological religious cultural and intellectual events that have shaped American society Appropriate for anyone with an interest in American history and the Social history of the United States Previous ISBNs Single Volume Edition 0 673 98575 X      *Book Review Digest* ,1997      Catalog of Copyright Entries, Third Series Library of Congress.
