Whitlock, 2004 Littell's Living Age , 1894 **The Age of Anger** Dr Batskhem Mawlein, 2026-03-13 The Age of Anger Political Theology and the Broken Promise of Politics examines how faith power and disillusionment shape modern politics Moving beyond liberal ideals and nationalist fervor it reveals the hidden theologies driving political life and the spiritual crisis within democracy Drawing on thinkers such as Kant Hegel Marx and Arendt it explores identity resentment and belonging to expose the moral decay and political despair defining our age urging a turn toward a more humane and truthful politics Littell's Living Age Eliakim Littell, Robert S. Littell, 1892 *The Age of Sustainability* Mark Swilling, 2019-11-06 With transitions to more sustainable ways of living already underway this book examines how we understand the underlying dynamics of the transitions that are unfolding Without this understanding we enter the future in a state of informed bewilderment Every day we are bombarded by reports about ecosystem breakdown social conflict economic stagnation and a crisis of identity There is mounting evidence that deeper transitions are underway that suggest we may be entering another period of great transformation equal in significance to the agricultural revolution some 13 000 years ago or the Industrial Revolution 250 years ago This book helps readers make sense of our global crisis and the dynamics of transition that could result in a shift from the industrial epoch that we live in now to a more sustainable and equitable age The global renewable energy transition that is already underway holds the key to the wider just transition However the evolutionary potential of the present also manifests in the mushrooming of ecocultures new urban visions sustainability oriented developmental states and new ways of learning and researching Shedding light on the highly complex challenge of a sustainable and just transition this book is essential reading for anyone concerned with establishing a more sustainable and equitable world Ultimately this is a book about hope but without easy answers The Living Age , 1848
