Card Tricks for Beginners Andrew West, 2023-08-07 What if i told you you could become a magician with a variety of simple card tricks that will make you the star of the room and really blow your audience off their feet We all know a true magician never reveals his secrets and knows how to properly interact with his her audience to create suspense and curiosity The real question most people ask is HOW This book not only teaches you a variety of card tricks ranging from beginner to advanced but teaches you the skills needed to make these tricks seem more subtle believable and entertaining like the true magician you aspire to be

My name is Andrew West and over my 10 years of performing card magic tricks I've experienced my fair share of high and low points. This is a blueprint of everything I know in regards to Card Tricks and has inspired me to not only share my story with others but offer help in the form of this book to assist you in becoming a better magician than I am. I want to share that knowledge with you now because I know for a fact that it can get you one step closer to really impressing your family and friends. In *Card Tricks for Beginners* here is a fraction of what you'll learn: The basics, terminology of a deck of cards, How to become the most believable magician possible, Many basic skills needed to better execute the tricks, Examples: false shuffling, sleight of hand, card forcing and card cutting, How to use props to better your card tricks, A variety of beginner card tricks, A variety of intermediate card tricks, A variety of advanced card tricks, And much more. Learning a few simple card tricks is something everyone is capable of doing but learning the skills needed to be as subtle and believable as possible is something you really need to work on. This is something I thought was always out of reach. That's why I'm sharing my knowledge in one ultra-convenient place. You won't find this information anywhere else. With this book in your hand you can get straight to it and learn the basics that your audience really wants to see.

Emanuel, 2022-02-22. What is a self-working card trick? A trick that does not depend upon legerdemain or special abilities on the part of the magician but a trick that works automatically because of the mathematics inherent in the card deck itself. Long practice and supernormal dexterity are not needed to perform these tricks yet they are often among the most entertaining and most spectacular of all card tricks. Some of these sure-fire tricks are simple a good place to begin. Others were specially adapted from professional routines and are here presented for the first time for amateurs. Almost all of these tricks can be worked informally with a borrowed deck of cards. Some also adapt to stage presentation. Individual tricks in this book have sold for more than the price of the entire book. Amateurs can use them to get a start in magic and to feel at once the rewards of giving a professional performance.
