Career Knockouts:

The Ultimate Book of Boxing Lists Bert Randolph Sugar, Teddy Atlas, 2011-01-11 What were the ten most fantastic knockouts in boxing history Which pugilist had the greatest jab of all time What were the sport's most intense rivalries Who scored the biggest upsets in the sport's annals Which fighters have the best nicknames These questions and many others are answered in this bold collection of ranked lists from two of boxing's most popular commentators Each list has an introductory paragraph followed by a number of ranked entries with each entry featuring a brief explanation of ranking plus entertaining and enlightening background information Also included are original lists contributed exclusive to this book by more than 25 top personalities from boxing and beyond including Muhammad Ali Joe Frazier George Foreman Oscar De La Hoya Bernard Hopkins and more

Boxing's Greatest Fighters Bert Randolph Sugar, 2006-01-01 Easily the most enduring of all sports questions is Who is the best Perhaps in no sport is the question more asked and argued over than in boxing And in boxing perhaps none is more qualified to answer the question than Bert Randolph Sugar In Boxing's Greatest Fighters not only does the former publisher of Ring Magazine tell us who the best fighters were he lists them in order Could Sugar Ray Robinson have beaten Muhammad Ali Could Sugar Ray Leonard have beaten Sonny Liston The answer most experts agree would be no But what if as Bert Sugar has done here one were to take all the boxers and reduce them in the mind's eye to the same height the same weight and the same ring conditions The answers would be quite different And while some fans may express outrage that Rocky Marciano barely makes the top twenty and Marvin Hagler staggers into the top seventy five others will nod eagerly when they read that Harry Greb and Benny Leonard were better than just about anybody So whether you read Boxing's Greatest Fighters cover to cover pick your favorites at random or simply browse through the many rare photographs at the bell come out arguing
