Careers An Organizational Perspective:

Careers Andries Magiel Gert Schreuder, Antoinette L. Theron, 2001 This is a study of a range of career issues for both the individual and the establishment within organizations Appropriately for the 21st century a pervasive theme of the title is change in organizations in the labour force and in people s lives Organizational Careers Theodore Libby Reed, 1970

Careers Andries Magiel Gert Schreuder, Melinde Coetzee, 2006 This comprehensive study of a range of contemporary career issues faced by both individuals and organizations has been revised and updated to reflect the most recent research and trends The primary thrust of the latest edition is change organizational change changes in the work force and changes in peoples lives Among the topics discussed are the meaning of work the implication of change on careers career planning and management practical applications of career choice and organizational support practices A glossary of terms has also been included to aid in the comprehension of the concepts related to each chapter Managing Careers in Organizations Daniel C. Feldman, 1988 Career stages and life stages Occupational choice and job choice entry from the individual s perspective Recruitment and selection entry from the organization s perspective Socialization training and organization Early career issues Middle career issues Late career issues Career planning and management **Managing Careers and Employability** Yehuda Baruch, 2022-01-12 Combining a strong theoretical underpinning with a wide range of case studies and practical examples this authoritative textbook provides a deep understanding of career systems on both an individual and an organizational level Taking a global approach *Managing Careers and Employability* looks at recent labour market developments and explores contemporary topics such as entrepreneurial careers career ecosystems and the dark side of careers A wide range of learning features including reflective questions key terms and exercises empower you to reflect on and manage your own career Online resources include a Tutor s Guide containing teaching notes for each chapter as well as PowerPoint slides that can be adapted and edited to suit specific teaching needs Suitable for undergraduate and postgraduate students studying career management and related courses Yehuda Baruch is Professor of Management at Southampton Business School the University of Southampton **Life-Span Development and Behavior** David L. Featherman, Richard M. Lerner, Marion Perlmutter, 2014-01-14 This volume continues the tradition of the Life Span Development Series presenting overviews of research programs on a variety of developmental topics Research and theory in life span development have given increased attention to the issues of constancy and change in human development and to the opportunities for and constraints on plasticity in structure and function across life Acknowledging the need for and existence of interconnection between age and developmental periods it focuses on conditions for possibly discontinuous development that emerge at later periods Contributors to this series are sensitive to the restrictive consequences of studying only specific age periods such as old age infancy or adolescence Each scholar attempts to relate the facts about one age group to similar facts about other age groups and to move toward the study of transformation of characteristics and processes over the life
