**The Healing Heart** Bruno Cortis,2015-03-24 In the United States more than two thousand people die every day from heart disease while those who survive often suffer in pain and debilitating fear as they begin to cope with their own mortality and loss of independence As a practicing cardiologist for three decades Bruno Cortis MD has been personally touched by many of these cases But he has also found that when you re dealing with the spiritual center of the body there is healing to be found far beyond what simple medical care can provide The heart is where you detect the deepest of emotions and where you feel the presence of God So it s no wonder that heart disease often reflects not just a physical wound but a spiritual one and that so many writings throughout the Bible reference this part of the body In *The Healing Heart* Dr Cortis sheds light on many of these references incorporating their profound wisdom into exercises meditations and prayers designed for self healing Along with its discussions of affirmations visualizations and techniques for communicating directly with your heart this groundbreaking and inspirational look at the connection between body and soul

has the ability to touch hearts and change lives      *The Healing Heart—Families* Allison M. Cox, David H. Albert, 2009-03-01

Stories and narratives aimed at helping families work through an array of subjects like health illness grief adoption sexual identity and school *The Healing Heart* provides powerful examples of the use of stories and storytelling in encouraging resiliency empathy respect and healing These engaging books contain stories and narratives about the use of the stories in activities with different populations children teens those with disabilities seniors inmates etc or which address specific social or community problems addictions poverty violence racism environmental degradation homelessness abuse The books are a collective effort containing the expertise of more than 60 storytellers and health professionals who illustrate the power of story in moving others to commitment and action in building self esteem and mutual respect *The Healing Heart Families* focuses on families dealing specifically with healing through story health promotion disease prevention early childhood intervention children with medical problems adopting families schools sexual identities grief and spiritual healing *The Healing Heart Communities* focuses on community building with sections on youth violence prevention poverty domestic violence substance abuse and addiction racism elders culture environmental protection homelessness and community development Praise for *The Healing Heart Families* Both children and adults sick or well need the embrace of soulful storytelling They need to witness and be witnessed for it is in this state that healing occurs If newscasters were to read aloud each night to their listeners for 1 001 nights one of the stories from this treasury we would all be healed and lose our fear recapturing real security in our homeland N Michael Murphy MD author of *The Wisdom of Dying* An extraordinary work Hit the bulls eye by providing both process and practice Thought provoking and insightful theory is intertwined with appropriate stories for direct application It makes clear that story can be a powerful catalyst for change giving eloquent voice to what many of us have known for some time but have been unable to express What a gift for those who work with families Elizabeth Ellis co author of *Inviting the Wolf In Thinking about Difficult Stories*
