Carlos Santana:

Carlos Santana Marc Shapiro,2024-07-02 Carlos Santana took the music world by storm back in 1969 with his thrilling performance at the Woodstock festival He was the first guitarist to skillfully blend fiery rock riffs with Latin blues and sensuous Afro Cuban rhythms to create a unique and unforgettable sound His vision to create innovative melodies has earned him a magnitude of critical praise and acclaim over his illustrious career But the road to success has been a rocky uphill climb The middle child of seven children Carlos Santana was born on July 20 1947 in a tiny Mexican village where the homes were comprised of brick and mud and there was no running water or lights But what his parents couldn't give in material wealth they heaped upon their children in love It was after the family moved to Tijuana that twelve year old Carlos developed his talent for the guitar and his reputation as a formidable musician spread In 1968 Columbia Records signed on the Santana Blues Band and they began in earnest to work on an album that would include such popular Latin and soul favorites as Black Magic Woman Evil Ways and Oye Como Va On August 15 1969 the Santana band was given the opportunity to play Woodstock before the release of their first album and this performance would forever be etched in fans minds as a key moment in rock history The Santana Blues Bands went from obscurity to instant recognition Shortly thereafter rumblings of discontent were echoed within the group with the volatile mixture of drug abuse personality clashes and the frustrations over the musical direction the band ultimately leading to the demise of the group Following the breakup Carlos Santana delved deeper into the meditative arts and spirituality The succession of albums that followed were greeted with critical acclaim but moderate success In the late 90 s Santana began working on a new album under the creative direction of Clive Davis head of Arista Records In a brilliant union of collaborating with younger artists as Lauryn Hill Wyclef Jean and Rob Thomas the album Supernatural was a commercial smash It sold over thirteen million copies and appealed to both the baby boomers and the teenage crowd Carlos Santana became the star of the 2000 Grammys and Supernatural won several awards including Best Rock Album of the Year Song of the Year for Smooth and Album of the Year With a career that spans three decades Carlos Santana has proven that talent determination and passion are the keys to longevity in a business that is obsessed with youth and beauty Against the odds he has defied the rule of convention and made an incredible comeback His story is timeless inspirational and he has undoubtedly proven himself to be the king of the guitar

The Universal Tone Carlos Santana, 2014-11-04 The intimate and long awaited autobiography of a legend In 1967 in San Francisco just a few weeks after the Summer of Love a young Mexican guitarist took the stage at the Fillmore Auditorium and played a blistering solo that announced the arrival of a prodigious musical talent Two years later after he played a historic set at Woodstock the world came to know the name Carlos Santana his sensual and instantly recognizable guitar sound and the legendary band that blended electric blues psychedelic rock Latin rhythms and modern jazz and that still bears his name Carlos Santana's unforgettable memoir offers a page turning tale of musical self determination and inner self discovery with personal stories filled with colorful detail and life affirming lessons The *Universal Tone* traces his journey from his earliest days playing the strip bars in Tijuana while barely in his teens and brings to light the establishment of his signature guitar sound his roles as husband father recording legend and rock guitar star his indebtedness to musical and spiritual influences from John Coltrane and John Lee Hooker to Miles Davis and Harry Belafonte and his deep lifelong dedication to a spiritual path that he developed from his Catholic upbringing Eastern philosophies and other mystical sources It includes his recording some of the most popular and influential rock albums of all time up to and beyond the 1999 sensation *Supernatural* which garnered nine Grammy Awards and stands as arguably the most amazing career comeback in popular music history It is a profoundly inspiring tale of divine inspiration and musical fearlessness that does not balk at finding the humor in the world of high flying fame or at speaking plainly of Santana's personal revelations and the infinite possibility he sees in each person he meets Love is the light that is inside of all of us everyone he writes I salute the light that you are and that is inside your heart
