Carls Christmas Signed:

A Christmas Carl Ryan Field, 2016-12-15 If you believe in Christmas miracles second chances and absolute love this remarkable gay retelling of the classic Christmas Carol will guide you through one man's quest to recapture everything he thought he'd stopped loving and everything he never thought he'd love again Wealthy Carl Smite owner of a high end Antiques store in Greenwich Village hates Christmas so much he takes the last dollar bill from a sick delivery boy with one leg on Christmas Eve Carl despises everything that is good and pure about Christmas including the fact that his employee devotes his time to handing out free dinners at a homeless shelter But when Carl goes to sleep on Christmas Eve he never expects to receive a visit from the ghost of his former business partner Marty Keller Marty explains that Carl will have a visit from three Christmas Ghosts that night The solemn Ghost of Christmas Past takes Carl back to a Christmas when he was in love with the most wonderful man in the world The beautiful Ghost of Christmas Present shows Carl what happened to the love of his life and introduces him to the son he never knew he had And the Ghost of Christmas Yet to Come who is actually the flamboyant ghost of gay icon Quentin Crisp shows Carl what will happen to him and all the people he loves if he doesn't start loving again And while Carl is working through a Christmas Eve he'll never forget the romance moves toward a joyful climax of enlightenment and transition as he searches for the true meaning of life and hope

Fostering Friendship

Robert Selman, 2017-09-08 A great number of children and adolescents face a world of violence and isolation In this book the members of the Group for the Study of Interpersonal Development at the Harvard Graduate School of Education and the Judge Baker Children's Center in Boston describe in detail an innovative intervention and prevention method pair therapy that is designed to address these issues by helping children develop healthy interpersonal relationships Pair therapy is a relationship oriented treatment modality that addresses the social context of the difficulties encountered in growing up in today's world This approach has been developed not only as a therapeutic intervention in day and residential treatment centers but also as a prevention method that can be used in public schools day care centers and other contexts This practical volume meets the demand for an accessible hands on guide to the pair method The theoretical foundations of the approach are also presented in an accessible fashion here The techniques described in this book model a relationship building process between an adult professional and two children This process replicates the social relations that happen naturally in healthy and happy interactions and long term relationships among well cared for children in safe and secure communities This book will be useful for a number of disciplines that deal with younger children and adolescents social work education school and group therapy and human development It offers educators therapists and other practitioners in a wide variety of settings the opportunity to learn how to develop a pair therapy program It will also be an indispensable tool in the libraries of mental health practitioners who counsel youth beyond ordinary clinical treatment
