# African Folktales

**Mauritz Mostert**

## **African Folktales:**

**African Folktales** Roger Abrahams, 2011-08-03 The deep forest and broad savannah the campsites kraals and villages from this immense area south of the Sahara Desert the distinguished American folklorist Roger D Abrahams has selected ninety five tales that suggest both the diversity and the interconnectedness of the people who live there The storytellers weave imaginative myths of creation and tales of epic deeds chilling ghost stories and ribald tales of mischief and magic in the animal and human realms Abrahams renders these stories in a narrative voice that reverberates with the rhythms of tribal song and dance and the emotional language of universal concerns With black and white drawings throughout Part of the Pantheon Fairy Tale and Folklore Library West African Folktales Jack Berry, Richard A. Spears, 1991-10 Collection of West African folktales drawn from prose narratives proverbs riddles and songs African Folktales Greg Uche, 2006 This children s storybook contains five African folktales The first story explains How the Tortoise Got Its Rough Shell The animals had a summit with the supreme being Eke in the sky Greed and lack of altruism cost the Tortoise dearly as he crash landed onto the roof of his hut from the sky His broken shells were mended by Snail but the result was a tortoise with rough shells Altruism and concern for others are the morals of this story The second story which extols the pride of motherhood is on The Farmer Who Buried His Mother Alive Donealot the successful farmer had no choice other than to bury his persistently sick mother in the evil forest at night with the help of his friend Conscience The spirits of the evil forest brought his mother back home to a remorseful son with a sobering message You can never do enough for your mother Encounters of the Lion and the Tortoise is the third story In two separate incidents Tortoise outwits Lion The animals that were on their way to work for Lion never got there Instead Tortoise intercepted and entertained them all day with his melodious music Wiseone the youngest son of Tortoise survived a murder attempt by Lion Agunta Lion s son was killed instead Wiseone returns home to a heroic welcome with a reminder to all of us that wits usually prevail over raw strength and that slow and steady wins the race The story of The Two Mischievous Brothers describes how two brothers Kofi and Uka conspired to swindle people On market days Uka would transform himself into a bull and his brother Kofi took him to the market Unsuspecting buyers would exchange the bull for other animals Uka the bull escaped from the buyer and transformed himself back into a human only to be resold to someone else The two brothers ran out of luck when Nkume the buyer with magical powers beat them to their game The moral of the story is that it does not pay to be a cheat The fifth story Vengeance of the God of Justice Amadioha explains the ordeal Chuk went through at the hands of his wicked stepmother Dab This heir to the throne of the ancient city of Kaa survived numerous physical and emotional abuses from Dab He was buried alive for a crime he never committed Only the timely intervention of the god of justice Amadioha brought him back from the grave The moral of the story is that we should be careful not to maltreat the less privileged in our society because the natural law of justice is sure to catch up with us if we treat others unfairly *Nelson Mandela's Favorite African Folktales* Nelson Mandela, 2002 Mandela the Nobel Laureate for

Peace has selected 32 African stories for this extraordinary new book an anthology that presents Africa's oldest folk tales to the children of the world Full color **African Tales** Harold Scheub,2005-04-29 The latest work from Harold Scheub one of the world's leading scholars of African folktales is the broadest collection yet assembled with tales from the entire continent of Africa north to south It brings together mythic fantastic and coming of age tales some transcribed more than a hundred years ago others dating to modern day Africa Scheub includes the work of storytellers from major African language groups as well as many storytellers whose work is not often heard outside of Africa This anthology offers a classroom ready collection that should appeal to any scholar of African literature and culture Realizing that these tales are part of a dying art Scheub writes for the inner ear in everyone bringing an oral tradition to life in written form **Favorite African Folktales** Nelson Mandela,2004-11-23 Favorite African Folktales is a landmark work that gathers many of Africa's most cherished folktales stories from an oral heritage that predates Ovid and Aesop in one extraordinary volume Nelson Mandela has selected these thirty two tales many of them translated from their original tongues with the specific hope that Africa's oldest stories as well as a few new ones will be perpetuated by future generations and appreciated by children and adults throughout the world Book jacket [African Folktales](#) ,1998 **African Folktales and Mythology** African Bibliographic Center,1968

*Central African Folktales* Charles Preston Warren,1950 *African American Folktales* Roger Abrahams,1999-01-09 Full of life wisdom and humor these tales range from the earthy comedy of tricksters to accounts of how the world was created and got to be the way it is to moral fables that tell of encounters between masters and slaves They include stories set down in nineteenth century travelers reports and plantation journals tales gathered by collectors such as Joel Chandler Harris and Zora Neale Hurston and narratives tape recorded by Roger Abrahams himself during extensive expeditions throughout the American South and the Caribbean With black and white illustrations throughout Part of the Pantheon Fairy Tale and Folklore Library 25 *Famous African Folktales* Mauritz Mostert,2020-07-22 Moral African Folktales for all ages African Folktales are common to most of the tribes and peoples of Africa Different cultures whilst sharing a common point of reference will colour each story with their own rich unique heritage These tales by tradition were handed down by word of mouth through the ages to be enjoyed by young and old alike Honouring tradition I have tried to keep the voice of the original storytellers of old in the same manner in which they spoke centuries ago Contractions have been left out since they were not the mode of speech in those bygone days In Africa myths and tall tales abound around the next mountain through yonder valley you will find a story that almost sounds the same as one you have heard before Thus there are many versions of each tale I believe this story captures the essence of originality having been acquire from established oral traditions thereby preserving uniqueness The folktales of Africa have inspired countless expeditions in search of mysteries and treasures from golden mountains to lost tribes to amazing animals How did they get there How were they made Were they kind or fierce Were they friendly or terrifying Yes some were gentle some were vicious but all had a story to tell Who are they What do they stand for

what nature do they have All beings have traits of one kind or another it is these which are discovered in folktales This story has been built upon ancient traditions As an African born author I owe a debt of gratitude to all our ancestors who passed down wonderful fables and tales from which this story is derived It is to them I dedicate this book *Folktales from Africa* Dianne Stewart,2015-03-02 Folktales are timeless and although they are a product of a particular culture they have universal relevance because they give insight into the human condition In *Folktales from Africa* award winning South African author Dianne Stewart has retold stories from the length and breadth of the African continent Beautifully illustrated by Marjorie van Heerden this collection of twenty stories is certain to entertain and delight the reader as well as give insight into the countries from which the tales have been sourced **Misoso** ,1994 Illustrated in full color From Angola to Zanzibar this treasury is as varied and bountiful as Africa itself Master storyteller Verna Aardema retells 12 tales of justice and revenge greed and generosity sly trickery and off the wall silliness with her trademark humor and flair Nearly 50 illustrations vibrantly reflect the spirit of these read aloud delights while a map of Africa story source information and a personal note from the author make this a rich volume for folk tale lovers of all ages Read this book once for the stories twice for the illustrations and a hundred times just for fun Kirkus pointer **African Folktales from My Childhood** Alieh Kimbeng,2021-03-03 Oral history is a key part of West African oral tradition used to pass down values and traditions from one generation to the next Folktales are part of African oral history and are usually filled with wisdom which convey a moral or teach a lesson As a child Alieh s Father usually told them stories Storytelling was a part of their family and these stories had been passed down from one generation to the next Some of these stories were used by Alieh s father to teach her and her siblings a lesson As Alieh grew older she realized that she could not remember most of these stories and this oral tradition was being lost so she decided to capture them This book is a collection of stories that have been passed down from one generation to the next but have never been written down or visually represented The name Tales from my Childhood represents stories from everyone s childhood regardless of their age Through this book Alieh hopes to bring back storytelling to families **Folklore and Folktales Around the World** International Reading Association,1964 **West African Folktales** Richard Spears,1991-10-01 These 123 tales reflect the rich oral tradition of West African folklore Playful and sly they teem with talking animals and shape shifting tricksters with pacts and promises made and broken and with impossible deeds done through chicanery and magic These tales deal with themes common throughout West Africa and the world Indeed American readers will recognize such characters as Brer Rabbit and the tar baby which had their roots in the folklore of this region Because there is no overlay of Western values however some of the morals may surprise the unsuspecting reader murder and polygamy cannibalism and cunning witchcraft and revenge spin matter of factly throughout the stories *African Myths and Folk Tales* Carter Godwin Woodson,2012-03-05 Compiled by the Father of Black History these fables unfold amid a magical realm of tricksters and fairies Recounted in simple language they will enchant readers and listeners of

all ages Over 60 illustrations      **Anansi and the Box of Stories** Stephen Krensky,2008-08-01 The sky god Nyame owns all the stories in the world He keeps them to himself in a box in his kingdom in the clouds But Anansi thinks the stories should be shared by all creatures So one day he strikes a bargain with the sky god If Anansi can trick some of the earth s fiercest and quickest creatures Nyame will share his stories Learn how Anansi wins the box of stories in this ancient tale from West Africa      *The Encyclopedia of Fantasy* John Clute,John Grant,1999-03-15 Like its companion volume *The Encyclopedia of Science Fiction* this massive reference of 4 000 entries covers all aspects of fantasy from literature to art      *Nelson Mandelas Favorite African Folktales* Nelson Mandela,2007-10-16 A cause for celebration and a landmark work that gathers in one volume many of Africa s most cherished folktales In these beloved stories we meet a Kenyan lion named Simba a snake with seven heads and tricksters from Zulu folklore we hear the voices of the scheming hyena and we learn from a Khoi fable how animals acquired their tails and horns Creation myths tell us how the land its animals and its people all came into existence under a punishing sun or against the backdrop of a spectacularly beautiful mountain landscape Whether warning children about the dangers of disobedience or demonstrating that the underdog can and often does win these stories through their depiction of wise animals as well as evil monsters are universal in their portrayal of humanity beasts and the mystical Translated from their original languages Karanga Nguni Xhosa and many others these folktales are a testament to the craft of storytelling and the power of myth

Immerse yourself in heartwarming tales of love and emotion with its touching creation, Experience Love's Journey in **African Folktales** .
