African Rage:

Black Rage William H. Grier, Price M. Cobbs, 2000-03-08 The first book to examine the full range of black life from the vantage point of psychiatry this widely acclaimed work has established itself as the classic statement of the desperation conflicts and anger of black life in America *Black Rage* tells of the insidious effects of the heritage of slavery describes love marriage and the family addresses the sexual myths and fears of both blacks and whites chronicles how schools fail the black child examines mental illness among black people and the psychic stresses engendered by discrimination and finally focuses on the miasma of racial hatred that envelops this country why it exists and what will surely happen if it is not soon dispelled

The Cry of Black Rage in African American Literature from Frederick Douglass to Richard Wright Steven T. Moore, 2013 Focuses entirely on how the emotion of rage factors into the African American experience of racial oppression in America This book examines the contrasting experiences of black rage that is exhibited in the writings of male and female African American authors

Violence Against Black Bodies Sandra E. Weissinger, Dwayne A. Mack, Elwood Watson, 2017-04-07 *Violence Against Black Bodies* argues that black deaths at the hands of police are just one form of violence that black and brown people face daily in the western world Through the voices of scholars from different academic disciplines this book gives readers an opportunity to put the cases together and see that violent deaths in police custody are just one tentacle of the racial order a hierarchy which is designed to produce trauma and discrimination according to one's perceived race and ethnicity

Black Feelings Lisa M. Corrigan, 2020-02-25 Honorable Mention Recipient of the 2021 Marie Hochmuth Nichols Award for Outstanding Scholarship in Public Address by the National Communication Association In the 1969 issue of *Negro Digest* a young Black Arts Movement poet then named Ameer Amiri Baraka published *We Are Our Feeling The Black Aesthetic* Baraka's emphasis on the importance of feelings in Black selfhood expressed a touchstone for how the Black liberation movement grappled with emotions in response to the politics and racial violence of the era In her latest book award winning author Lisa M Corrigan suggests that Black Power provided a significant repository for negative feelings largely Black pessimism to resist the constant physical violence against Black activists and the psychological strain of political disappointment Corrigan asserts the emergence of Black Power as a discourse of Black emotional invention in opposition to Kennedy era white hope As integration became the prevailing discourse of racial liberalism shaping midcentury discursive structures so too did racial feelings mold the biopolitical order of postmodern life in America By examining the discourses produced by Martin Luther King Malcolm X Stokely Carmichael Huey Newton Eldridge Cleaver and other Black Power icons who were marshaling Black feelings in the service of Black political action Corrigan traces how Black liberation activists mobilized new emotional repertoires

Shifting the Lens in History Education Maribel Santiago, Tadashi Dozono, 2025-03-24 A persuasive collection that considers how centering the knowledge and perspectives of historically marginalized groups enriches K 12 history teaching and learning

August Wilson and Black Aesthetics S. Shannon, D.

Williams,2004-08-20 This book offers new essays and interviews addressing Wilson s work ranging from examinations of the presence of Wilson s politics in his plays to the limitations of these politics on contemporary interpretations of Black aesthetics Also includes an updated introduction assessing Wilson s legacy since his death in 2005 **Liberating Black Theology** Demaine Solomons,Eugene Baron,2024-02-14 Current debates on decolonisation call for academic disciplines including the practitioners of Black theology to reflect on its content and curriculum This edited volume actively engages in these ongoing dialogues specifically addressing the pertinence of a Black theology of liberation within the postapartheid landscape It not only delves into the historical underpinnings of this theological framework but also endeavours to establish a conceptual framework for assessing its significance within the current discourse on decolonising theological disciplines In addition to shedding light on the historical importance of Black theology the late Vuyani Vellem poses a crucial question What lessons has Black theology yet to learn This inquiry by emerging South African scholars serves as a guide for navigating the path forward in developing this theological perspective Beyond emphasising the historical context the volume aims to contribute to broader discussions about social cohesion in South Africa where conflicting socio political narratives persist This work adds to the theoretical development by grappling with the history of Black theological thought and influences contemporary engagements with theology Its impact spans various levels encompassing the reconsideration of Black theology s influence on race gender politics community development and more Ultimately this volume serves as a catalyst for understanding and reshaping the discourse on Black theology offering valuable insights for navigating the complexities of theological thought in today s diverse and evolving landscape New York Magazine ,1994-05-23 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **New York** ,1994-05
