African Answer:

African Solutions Tšoeu Petlane, Steven Gruzd, 2011 African Solutions is a result of research into the policies programmes and experiences identified as best practices in the Country Review Reports CRRs of twelve countries published under the African Peer Review Mechanism APRM from Algeria Benin Burkina Faso Ghana Kenya Lesotho Mali Mozambique Nigeria Rwanda South Africa and Uganda The research was commissioned and coordinated by the Governance and APRM Programme of the South African Institute of International Affairs SAIIA To justify this inquiry they argued among others that with the APRM conceived a voluntary mechanism and in the absence of hard pressure for compliance incentives rather than sanctions could be the way to strengthen the APRM Thus the importance of best practices as templates and models for reform and as a counterbalance to the temptation to concentrate on what is not working in Africa In this book therefore best practices identified in the twelve CRRs are examined critically and methodically with a view to understanding how they are conceptualised within the APRM including their definition and how they are intended to be used to achieve the desired results how the items reported as best practices qualify to be regarded as such in the sense of being demonstrably better than the rest replicable and addressing APRM goals and how they can be strengthened for use as material from peer learning within the APRM and around the continent Back cover

The Ultimate African Solution, Race...First Brick CC

Crawford, 2018-04-05 Ever since I came into being I've often wondered about the real purpose for my existence I observe the surrounding elements the sun the moon the astronomical number of stars and galaxies and to be a part of this universal expanse makes me believe that there is much more to this equation than being born live then die I arrived on this earth through the African bloodline and it didn't take long to notice the vast discrepancies amongst the races where Africans are thoroughly overlooked on the world stage We are underrepresented in regards to important decisions been made above our heads and disrespect of the Black race is IN YOUR FACE blatant A Black person born today will endure the same fate as Black people did a hundred years ago and the system is designed to maintain Africans in the same dependent position for many generations to come Black people in the western hemisphere has been geared to only strive for an elusive equality when reunification with Mother Africa should be our ultimate goal to achieve racial parity THE ULTIMATE AFRICAN SOLUTION will solve all of Black people's problems and provide the whole African race with one hundred percent employment for this and future generations The negative effects that slavery and colonialism has on the African's psyche must be affectedly nullified first and foremost in order to step up in race There are numerous steps to take to overcome the mental struggles caused from the enslavement of the mind syndrome and ridding the African race of self hate tops the list Africans It is imperative that we revel in each other's successes and instead of willfully keeping ourselves down we offer helping hands to pick each other up Africa is due reparation for the atrocities that our ancestors had to bear in order for the two races here in question to be able to truly coexist as nature intended Fighting on their behalf to make right them being

wronged throughout five hundred years of recent history and still counting will allow our deserving ancestors to finally rest in peace THE ULTIMATE AFRICAN SOLUTION will be achieved without any human beings losing their lives No one have to die
