African Art Reframed Bennetta Jules-Rosette, J.R. Osborn, 2020-06-22 Once seen as a collection of artifacts and ritual objects African art now commands respect from museums and collectors Bennetta Jules Rosette and J R Osborn explore the reframing of African art through case studies of museums and galleries in the United States Europe and Africa The authors take a three pronged approach Part One ranges from curiosity cabinets to virtual websites to offer a history of ethnographic and art museums and look at their organization and methods of reaching out to the public In the second part the authors examine museums as ecosystems and communities within communities and they use semiotic methods to analyze images signs and symbols drawn from the experiences of curators and artists The third part introduces innovative strategies for displaying disseminating and reclaiming African art The authors also propose how to reinterpret the art inside and outside the museum and show ways of remixing the results Drawing on extensive conversations with curators collectors and artists African Art Reframed is an essential guide to building new exchanges and connections in the dynamic worlds of African and global art

*Methodology, Ideology and Pedagogy of African Art* Moyo Okediji, 2024-02-14 This edited volume including contributions from scholars with different areas of specialization investigates a broad range of methodologies ideologies and pedagogies focusing on the study of the art of Africa using theoretical reflections and applications from primitivism to metamodernism Chapters break the externally imposed boundaries of Africa related works beyond the conventional fragments of traditional contemporary and diaspora The contributions are significantly broad in their methodologies ideologies and pedagogical coverage yet they all address various aspects of African artistic creativity demonstrating the possibilities for analytical experiments that art history presents to scholars of the discipline today The w character of each approach is unique nevertheless each is useful toward a fuller understanding of African art studies as an independent aspect of art historical research that is a branch or bud of the larger family of art history The volume respects highlights and celebrates the distinctiveness of each methodical approach recognizing its contribution to the overall character or w of African art studies The book will be of interest to students in undergraduate or graduate intermediate or advanced courses as well as scholars in art history and African studies
