African Notebook The Albert Schweitzer Library:

Weekly Weather and Crop Bulletin ,1979 **African Notebook** Albert Schweitzer,2002 Albert Schweitzer was already world famous when he was first persuaded to share with the public these candid reminiscences of early days at Lanbarene Gabon Africa The multitude of brief entries in the book captures the flavour of Schweitzer's mission in vignettes and musings on the land **Catalog of the Melville J. Herskovits Library of African Studies, Northwestern University Library (Evanston, Illinois) and Africana in Selected Libraries** Melville J. Herskovits Library of African Studies,1972 *The African Sermons* Albert Schweitzer,2003-04-01 Every Sunday in Lambar n Gabon Albert Schweitzer delivered an outdoor sermon in French Although never intended for publication many of the sermons were transcribed by Schweitzer's listeners Translated into English and collected in one volume for the first time Steven E G Melamed Sr surviving sermons make a great contribution to the field characterizing Schweitzer's simplicity of language his emphasis on personal conduct and his adaptation of biblical stories to the everyday realities of African life Delivered between 1913 and 1935 these sermons evolved as Schweitzer matured and became more attuned to his surroundings Since it contains what is most likely the entire extant corpus of Schweitzer's sermons in Africa this book fills a significant gap in Schweitzer scholarship affording unique insight into his own beliefs and the prevailing European attitude toward Africans **Catalog of the African Collection, Northwestern University Library** Northwestern University (Evanston, Ill.). Library,1962 **Helene Schweitzer** Patti M. Marxsen,2015-05-04 Born in Berlin Helene Schweitzer came of age in Strasbourg during a time of great social architectural and historical developments It was in this cultural milieu as a history professor's daughter that Helene met a young pastor named Albert Schweitzer 1875 1965 and developed a deep friendship that flourished for a decade before their marriage in 1912 During those years she served as the first woman Inspector of City Orphanages in Strasbourg a position she held for four years before becoming a certified nurse She also edited and proofread a number of Schweitzer's books in multiple fields as they worked together to realize their shared dream of devoting their lives to humanity Together in 1913 Albert and Helene Schweitzer founded what is now the longest running hospital established by Europeans in Africa the Albert Schweitzer Hospital in current day Gabon With her quiet strength clear sense of purpose independent spirit and wide range of skills and talents Helene was a model for many other women who later served the Schweitzer Hospital Drawing upon the couple's lifelong correspondence as well as Helene's journals and professional writing Marxsen reveals a modern woman of courage in dark times whose resilient optimistic spirit allowed her to leave a lasting legacy that has yet to be fully understood Helene Schweitzer's dramatic life reveals deeper questions of how memory is influenced by gender assumptions and how biography is shaped by place and history By providing a counter narrative to the traditional image of a frail woman who sacrificed her life to her husband's genius this richly detailed chronicle of a little known figure invites a larger discussion about the meaning of a woman's life obscured by a partner's fame **A Catalog of Books Represented by**

Research Libraries,1979 **African Biblical Studies** Andrew M. Mbuvi,2022-09-22 Andrew M Mbuvi makes the case for African biblical studies as a vibrant and important emerging distinct discipline while also using its postcolonial optic to critique biblical studies for its continued underlying racially and imperialistically motivated tendencies Mbuvi argues that the emergence of biblical studies as a discipline in the West coincides with and benefits from the establishment of the colonial project that included African colonization At the heart of the colonial project was the Bible not only as ferried by missionaries who often espoused racialized views to convert heathens in the distant lands but as the text used in the racialized justification of the colonial violence Interpretive approaches established within these racist and colonialist matrices continue to dominate the discipline perpetuating racialized interpretive methodology and frameworks On these grounds Mbuvi makes the case that the continued marginalization of non western approaches is a reflection of the continuing colonialist structure and presuppositions in the discipline of biblical studies African Biblical Studies not only exposes and critiques these persistent oppressive and subjugating tendencies but showcases how African postcolonial methodologies and studies that prioritize readings from the perspective of the marginalized and oppressed offer an alternative framework for the discipline These readings while destabilizing and undermining the predominantly white Euro American approaches and their ingrained prejudices and problematizing the biblical text itself posit the need for biblical interpretation that is anti colonial and anti racist *Dictionary Catalog of the Schomburg Collection of Negro Literature & History* Schomburg Collection of Negro Literature and History,1962 *The National Union Catalog, Pre-1956 Imprints* ,1968 **The Shelf List of the Union Theological Seminary Library in New York City** Union Theological Seminary (New York, N.Y.).
