## **African Perspectives On Governance:**

*African Perspectives on Governance* Göran Hydén,Dele Olowu,H. W. O. Okoth-Ogendo,2000 This book brings together the views of a group of East and West African scholars on a range of issues relating to how African countries are being governed In contrast to most other publications on governance which tend to reflect primarily the views of the international donor community this book provides a refreshing African perspective on these issues It is critical in its approach but the authors speak with authority based on both personal experience and research on the African continent The book addresses such aspects of governance as human rights the freedom of the media the role of intellectuals the place of local government in national politics women in politics the significance of constitutionalism and ethnic pluralism Each subject is covered comparatively with reference to both East and West Africa This book lends itself to courses on African politics or more general education courses on African development issues It should also be of relevance to analysts of African governance and development in governments inter governmental and non governmental organizations

**Leap 4.0. African Perspectives on the Fourth Industrial Revolution** Zamanzima Mazibuko-Makena,Erika Kraemer-Mbula.,2021-04-09 Leap 4 0 African Perspectives on the Fourth Industrial Revolution seeks to identify the challenges and opportunities the 4IR presents to South Africa and the rest of the African continent especially to workers and marginalised sectors of society Authors examine the prerequisites for the successful introduction of the 4IR including infrastructure skilled personnel and appropriate regulation They underline the importance of inclusive innovation with a deliberate objective to create net new jobs and reduce inequality The 4IR is well established in many parts of the world with technological advances driving profound social and economic change However for many developing countries particularly countries in Africa the 4IR may not offer the anticipated leap forward There is a danger that the continent may find itself dictated to by experiences that are not in tune with its social contexts

**African Pentecostalism from African Perspectives** Ezra Chitando,Lovemore Togarasei,Loreen Maseno,2024-10-28 This book makes a significant contribution to the study of African Pentecostalism by reflecting on their output Deviating from the widespread phenomenon of scholars from the Global North being dominant voices on African Pentecostalism this volume brings together African scholars from diverse academic disciplines and African Diasporan to showcase how they've helped to shape the field This volume addresses the lacuna in the available scholarship by undertaking detailed analyses of how scholarship and exemplifies the various areas where African scholars have made and continue to make contributions The included chapters engage in methodological debates on African Pentecostalism from the continent as well as from African diaspora and is a must read for scholars working on Pentecostalism

**Legitimate Governance in Africa** Edward Kofi Quashigah,Obiora Chinedu Okafor,1999-04-14 Part I Introduction **Democracy, Human Rights, and Good Governance in Africa** Steve McDonald,National Endowment for Democracy (U.S.),Council on Foreign Relations,1998

book is solutions driven as experts weigh on specific issues within the context of Africa's natural resource governance and offer appropriate policy recommendations on how to best manage the continent's resources This is a must read for government policy makers in industrialized economies and more importantly in Africa and emerging economies as well as for academic researchers working in the field extractive companies operating on the continent extractive industry and trade associations and multilateral and donor aid institutions

**Governance and Democracy in Africa** James S.

Guseh, Emmanuel O. Oritsejafor, 2018-12-17 This book looks at the fundamental issue of governance in Africa After half a century of experimenting with democratic institutions African countries are still ambivalent about the complete or absolute adoption of this form of governance Africa lost tremendous human and natural resources in the struggle for political and economic independence What form of governance African leaders adopt will determine how worthwhile this sacrifice has been to the African people This issue is the major challenge facing Africa and addressing it is of high urgency Employing a political economy framework this book provides some insights into to dealing with this complex issue of democratic governance in Africa

*Perspectives on African Governance* Lindlyn Chiwandamira, Monica Makaula, 2006 This overview

publication on governance in Africa is the outcome of the collaborative Centre for Governance in Africa a partnership between IDASA and the Norwegian Fredskorpset Volunteer Service Together the two organisations facilitate an exchange programme for researchers in Africa and expose professionals working in governance to political processes in different countries on the continent They are developing a collaboration framework for African based democracy and governance centres

**Perspectives on African Politics, Governance and Development: Conflict and conflict management**

Eghosa E. Osaghae, 2018 *Accountable Government in Africa* Lia Nijzink, 2012 In the early 1990s a wave of democratisation swept the African continent resulting in a flurry of constitution making and constitutional revision

**African Perspective**, 2002

**Handbook of Public Management in Africa**

Gerrit van der Wal, 2023-12-11 This forward thinking Handbook provides a thorough and comprehensive guide on the positive prospects for public management and governance across the African continent Exploring best practices learned by public management and governments in the region this book examines Africa's ability to leapfrog developed nations in the adoption and adaptation of managerial models techniques and applications for government

**Governance and the postcolony** David Everatt, 2019-08-01 Civil society NGOs governments and multilateral institutions all repeatedly call for improved or good governance yet they seem to speak past one another Governance is in danger of losing all meaning precisely because it means many things to different people in varied locations This is especially true in sub Saharan Africa Here the postcolony takes many forms reflecting the imperial project with painful accuracy Offering a set of multidisciplinary analyses of governance in different sectors crisis management water food security universities in different locales across sub Saharan Africa and from different theoretical approaches network to adversarial network governance this volume makes a useful addition to the growing debates on how

to govern It steers away from offering a correct definition of governance or from promoting a particular position on postcoloniality It gives no neat conclusion but invites readers to draw their own conclusions based on these differing approaches to and analyses of governance in the postcolony As a robust critical assessment of power and accountability in the sub Saharan context Governance and the Postcolony Views from Africa brings together topical case studies that will be a valuable resource for those working in the field of African international relations public policy public management and administration

**Governance in Southern Africa and Beyond** Dele Olowu, Royson Mukwena, 2004

**The African Exception** Ulf Engel, 2017-11-28 Governance has become an important concept in the politics of African development It is therefore a crucial concept for social science analyses focusing on Africa In public discourse Africa s future is being shaped by a combination of external interventions backed by African elites who cooperate with the donors whose understanding of the importance of good governance they share This groundbreaking book disentangles the analytical aspects of governance from its political and normative connotations The African exception the difference in development between Africa and other regions of the South can be understood by analysis focusing upon the specific forms of governance played out in politics and economics The perspective of neo patrimonialism is crucial but not sufficient here The first section of the book explores African governance in two functional spheres the political realm and the economic Section two looks at new areas of governance in Africa violent social spaces HIV AIDS and entrepreneurial urban governance
