

FIRE POEMS

I Do Not Love You Except Because I Love You

I do not love you except because I love you;
I go from loving to not loving you,

Fire And Ice

Some say the world will end in fire,
Some say in ice.

A Child's Christmas In Wales

One Christmas was so much like another, in those years
around the sea-town corner now...

My Love Is Like To Ice

My love is like to ice, and I to fire:
How comes it then that this her cold so great

there's A Fire Burning In My Eyes

Even the impossible can be done
because I believe it can

Ice And Fire

My love is like to ice, and I to fire:
How comes it then that this her cold so great

A City's Death By Fire

After that hot gospeller has levelled all but the church'd sky,
I wrote the tale by tallow of a city's death by fire;

Complete Destruction

It was an icy day.
We buried the cat,

What Remains After the Fire Alexis Tomallo, 2025-12-09 *What Remains After the Fire* is a story told in poems of love destruction and the slow art of survival Divided into four parts this collection explores what it means to stay too long in the flames to mistake pain for passion and to find beauty in what's left behind They are raw feminine and honest each one a spark pulled from the ashes each line a reminder that even destruction can create light *What Remains After the Fire* is for the girls who have mistaken pain for passion stayed too long in the fire or learned how to rebuild from the embers Because survival isn't always loud sometimes it simply whispers I'm still here

After the Death of Poetry Vernon Lionel Shetley,1993 In this deft analysis Vernon Shetley shows how writers and readers of poetry operating under very different conventions and expectations have drifted apart stranding the once vital poetic enterprise on the distant margins of contemporary culture Along with a clear understanding of where American poetry stands and how it got there *After the Death of Poetry* offers a compelling set of prescriptions for its future prescriptions that might enable the art to regain its lost stature in our intellectual life In exemplary case studies Shetley identifies the very different ways in which three postwar poets Elizabeth Bishop James Merrill and John Ashbery try to restore some of the challenge and risk that characterized modernist poetry s relation to its first readers Sure to be controversial this cogent analysis offers poets and readers a clear sense of direction and purpose and so the hope of reaching each other again
