After Melissa:

After the Fire Becky Citra,2010-04-01 Melissa is waiting for the new life that her mother Sharlene has promised her since a fire devastated their family But nothing ever seems to change Melissa has difficulty making friends at school they never have enough money and her little brother Cody is a brat When Sharlene announces that they will be spending the month of August at a remote cabin on a wilderness lake Melissa is less than thrilled But there is more to do at the lake than she expected and she is surprised to learn that her mother knows how to paddle a canoe fish and make bannock and s mores On an island in the middle of the lake Melissa meets Alice a strange girl who is writing a fantasy novel Alice shares her tree fort on the island with Melissa and while at first Melissa is attracted to Alice s strong personality and her stories of her perfect family she becomes increasingly uneasy around Alice As Melissa s relationship with her mother improves and her confidence increases she is able to hold her own with Alice and start to appreciate her own imperfect family Thriving

After Trauma Shari Botwin,2019-11-04 Thriving After Trauma addresses readers who have experience trauma or loss due to a variety of experience whether accident abuse or injury Shari Botwin shows readers through personal stories how many who have experienced the worst kinds of trauma have managed to move on and thrive beyond their experiences Often those who live through trauma come away with feelings of shame guilt anger and despair These are common even normal responses in the immediate aftermath Left unaddressed though those feelings may develop into substance abuse problems eating disorders depression or anxiety Learning how to move on to pick up and live life again takes effort and guidance Botwin guides readers through the stories of others who have gone on to live fulfilling happy lives and provides tips and tools for healing and moving on Letting go of the shame guilt anger and fear associated with tragic events is crucial to reclaiming a full life Strategies such as journaling mindfulness cognitive behavioral restructuring and healthy relationships to aid in recovery are explored and explained so readers can adopt those strategies that work best for them It is not the trauma itself that results in so many people developing self destructive tendencies and life threatening illnesses It is the lack of having a way to digest and make sense of the trauma related feelings that can lead one to mental illness disconnection and in some cases even death Readers will learn how to live with the trauma versus how to get over the trauma so they can move forward healthfully and mindfully
