After The Absolute The Dialogical Future Of Religious Reflection:

After the Absolute Leonard J. Swidler, 1990 Volume 10: Philosophy of Religion Guttorm Fløistad, 2009-10-31 The present volume is a continuation of the series Contemporary Philosophy As with the earlier volumes in the series the present Chronicles purport to give a survey of significant trends in contemporary philosophy The need for such surveys has I believe increased rather than decreased over the years The philosophical scene appears for various reasons more complex than ever before The continuing process of specialization in most branches the increasing contact between philosophers from various cultures the emergence of new schools of thought particularly in philosophical logic and in the philosophy of language and ethics and the increasing attention being paid to the history of philosophy in discussions of contemporary problems are the most important contributing factors Surveys of the present kind are a valuable source of knowledge of this complexity The surveys may therefore help to strengthen the Socratic element of modern philosophy the intercultural dialogue or Kommunikationsgemeinschaft So far nine volumes have been published in this series viz Philosophy of Language and Philosophical Logic Volume 1 Philosophy of Science Volume 2 Philosophy of Action Volume 3 Philosophy of Mind Volume 4 African Philosophy Volume 5 Medieval Age Philosophy Volumes 6 1 and 6 2 Asian Philosophy Volume 7 Philosophy of Latin America Volume 8 and Aesthetics and Philosophy of Art Volume 9

Interfaith Religious Education in Indonesia Arhanuddin Salim, Reza Adeputra Tohis, 2025-11-16 The book discusses the importance of renewal in religious education through an interfaith approach to creating a tolerant inclusive and pluralist society In the context of the challenge of intolerance and radicalism in educational institutions the book's main objective is to formulate relevant models of interfaith religious education Qualitative methodology was used with Case Studies in three interfaith institutions in Indonesia Interfidei Yogyakarta ICRP Jakarta and Jakatarub Bandung The results showed that Interfaith Education through structured interreligious dialogue increased understanding among religious people and reduced negative prejudice The book's contribution to research provides a theoretical framework for religious pluralism in education while its contribution to practice includes recommendations for curriculum updates and inclusive learning strategies This book has had a far reaching impact in promoting interreligious harmony and as a practical guide for governments and educational institutions in designing policies that support diversity

SCM Core Text: Christian Approaches to Other Faiths Paul Hedges, 2013-02-11 The textbook begins with a chapter on exclusivism inclusivism particularity and pluralism and one on interfaith Each chapter explains the history rationale and workings of the various approaches Moreover each is divided into sub sections dealing with various forms of each approach so that each may be appreciated in its individuality i e the chapter on Inclusivism will include sections on fulfilment theology anonymous Christians etc The second part of this textbook deals with attitudes towards different faiths considering the problems and relations that exist with Christian approaches to each It will deal with the world's major faiths as well as primal religions and new religious movements The introduction and

conclusion will deal with some central themes that run throughout in particular the questions of the Trinity and concepts of salvation In each section reference will be made to the key texts discussed in the Reader which accompanies this 9780334041155 however the work may be read as a stand alone text *Indo-Judaic Studies in the Twenty-First Century* N. Katz, R. Chakravarti, B. Sinha, S. Weil, 2007-04-02 This collection analyzes the affinities and interactions between Indic and Judaic civilizations from ancient to contemporary times The contributors propose a new global understanding of commerce and culture to reconfigure how we understand the way great cultures interact and present a new constellation of diplomacy literature and geopolitics *Philosophies of Christianity* Balázs M. Mezei, Matthew Z. Vale, 2020-01-09 This book examines key issues in Christianity from various philosophical points of view It brings together European authors with American theologians and philosophers on an interconfessional basis Coverage combines analytical and continental approaches in a unique way This comprehensive innovative analysis will help readers gain a deep understanding into a wide range of philosophical approaches to basic Christian problems The novelty of this volume is the unique combination of philosophical and theological approaches It merges these points of view in a rational manner which characterizes segments of Anglo American and Continental thought The scope of the work covers historical issues contemporary problems of atheism and also novel approaches to fundamental notions Readers will learn about questions surrounding the French New Theology Zizek's philosophical sources the notion of revelation and much more As a work produced by European and United States scholars this volume is an important contribution not only to the dialogue between various academic cultures but also to the expression of their fruitful cooperation which grounds and inspires serious academic research The readership of this work begins at an undergraduate level and reaches up to academic researchers and professors interested in borderline problems between philosophy and theology history and contemporary issues Pluralism Chester Gillis, 1993 Methodologically Gillis suggests that Christian theology be constructed not only with an awareness of but also using the data of other religions Theologically he defends the position of pluralism and investigates the implications of this for soteriology christology and ethics As practical theology he offers suggestions for the conduct of interreligious dialogue on the local level Chester Gillis is assistant professor theology at Georgetown University He holds a Licentiate degree in Philosophy and the M A in Religious Studies from the Catholic University of Leuven His Ph D in Theology is from the Divinity School of the University of Chicago He is author of *A Question of Final Belief* *Was Jesus a Muslim?* Robert F. Shedinger, An intriguing question Do Muslims understand Jesus in some ways more historically appropriate than Christians do leads Robert F Shedinger into a series of provocative challenges to the disciplines of religious studies and comparative religions Questioning the convenient distinction between politics and religion and the isolation of religion from wider social and cultural questions Shedinger offers a proposal for a more accurate and respectful understanding of faith that he argues will improve possibilities for mutual understanding among Christians Muslims and others **Woman in a Man's Church** ,2018-06-15 Are you satisfied with the
