After Yugoslavia

Catherine Baker

After Yugoslavia:

Yugoslavia After Tito Andrew Borowiec, 1977 *Citizenship after Yugoslavia* Jo Shaw, Igor Štiks, 2013-10-31 This book is the first comprehensive examination of the citizenship regimes of the new states that emerged out of the break up of Yugoslavia. It covers both the states that emerged out of the initial disintegration across 1991 and 1992: Slovenia, Croatia, Bosnia Herzegovina, the Federal Republic of Yugoslavia, and Macedonia, as well as those that have been formed recently through subsequent partitions: Serbia, Montenegro, and Kosovo. While citizenship has often been used as a tool of ethnic engineering to reinforce the position of the titular majority in many states, in other cases citizenship laws and practices have been liberalised as part of a wider political settlement intended to include minority communities more effectively in the political process. Meanwhile, frequent re-definitions of these increasingly overlapping regimes still provoke conflicts among post-Yugoslav states. This volume shows how important it is for the field of citizenship studies to take into account the main changes in and varieties of citizenship regimes in the post-Yugoslav states as a particular case of new state citizenship. At the same time, it seeks to show scholars of post-Yugoslavia and the wider Balkans that the Yugoslav crisis, disintegration, and wars, as well as the current functioning of the new and old Balkan states together with the process of their integration into the EU, cannot be fully understood without a deeper understanding of their citizenship regimes. This book was originally published as a special issue of *Citizenship Studies*.

After Yugoslavia R. Hudson, G. Bowman, 2011-11-22 An investigation of recent developments and trends within the Yugoslav successor states since the signing of the Dayton Agreements in Autumn 1995. This book offers a distinctive and desirable perspective on the seven successor states, their cultures, politics, and identities, by providing an internal perspective on the region and its developments.

After Yugoslavia Radmila Gorup, 2013-06-12 The book brings together many of the best-known commentators and scholars who write about former Yugoslavia. The essays focus on the post-Yugoslav cultural transition and try to answer questions about what has been gained and what has been lost since the dissolution of the common country. Most of the contributions can be seen as current attempts to make sense of the past and help cultures in transition, as well as to report on them. The volume is a mixture of personal essays and scholarly articles, and that combination of genres makes the book both moving and informative. Its importance is unique. While many studies dwell on the causes of the demise of Yugoslavia, this collection touches upon these causes but goes beyond them to identify Yugoslavia's legacy in a comprehensive way. It brings topics and writers usually treated separately into fruitful dialog with one another.

Yugoslavia and After David A. Dyker, Ivan Vejvoda, 2014-09-19 This new book presents contributions by leading authorities on the origins of the Balkan crisis, the reasons for the decay and dissolution of the old Yugoslavia, the nature of the new regimes, the prospects for solution of the remaining conflicts, and for the building of viable successor states.

Yugoslavia After Tito: Scenarios And Implications Gavriel D. Ra'anan, 1977 **Temporalities of Post-Yugoslav Literature** Aleksandar Mijatovic, 2020-12-03 This book examines the theoretical devices of Yugoslav and post-Yugoslav

Contemporary Art in the Post-Yugoslav Space Jonathan Blackwood, Jasmina Tumbas, 2025-10-20 This edited volume is centered on the production, discussion, and consumption of contemporary art in the post-Yugoslav space now. Authors in this volume demonstrate how and why contemporary art discourses have continued to overcome chronic difficulties in local cultural economies since the dissolution of the common federal space of socialist Yugoslavia. This book focuses on socialist Yugoslavia's prevailing cultural legacies of anti-fascism, non-alignment, queer, and feminist movements, and socially engaged art which inform and shape contemporary critiques of neoliberal capitalist conditions in the arts. Chapters are rooted in ongoing global challenges in contemporary art: a universal exhaustion through overwork on the part of the artist-art worker and overstimulation of the audience; the structural weakness of contemporary art as a set of institutional activities and the instrumentalization of art. The book will be of interest to scholars working in art history, contemporary art, gender studies, Slavic studies, politics, and post-conflict studies. Chapters 1, 10, and 17 of this book are freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution-NonCommercial-NoDerivatives (CC BY-NC) ND 4.0 license.

Yugoslavia's Ruin Cvijeto Job, 2002 This remarkable book combines analysis and memoir to offer the unique perspective of an informed insider who lived through Yugoslavia's demise. Cvijeto Job's powerful and provocative story of Yugoslavia's birth, rise, and brutal destruction is intertwined with his family history as he probes deeply into the causes and legacies of Yugoslavia's ruin. The result is a sober assessment of the successes and unflinching critique of the failures of Tito's Yugoslavia and how policies that were intended to ameliorate the country's ethnic tensions were corrupted or abandoned, ending in its undoing. Job argues passionately for the intervention of the international community in Yugoslavia and offers concrete suggestions for preventing future ethnic atrocities. Anyone reading his book will come to think more deeply about the ways in which the web of history and collective political culture weave the fates of nations and individuals in times of crisis.

Yugoslav Communism United States. Congress. Senate. Committee on the Judiciary. Subcommittee to Investigate the Administration of the Internal Security Act and Other Internal Security Laws, 1961

Gleichen, 1923 *The Contemporary Review*, 1925 **Yugoslavia; the Nations of To-day** John Buchan, 1923

Welcome to the Desert of Post-Socialism Srećko Horvat, Igor Stiks, 2015-01-06 This volume offers a profound analysis

of post socialist economic and political transformation in the Balkans involving deeply unequal societies and oligarchical democracies The contributions deconstruct the persistent imaginary of the Balkans pervasive among outsiders to the region who see it as no more than a repository of ethnic conflict corruption and violence Providing a much needed critical examination of the Yugoslav socialist experience the volume sheds light on the recent rebirth of radical politics in the Balkans where new groups and movements struggle for a radically democratic vision of society
