Death Is at Your Door Are You Ready? Randy Thomas,2007-08-01 If only death were that simple wouldn't we all live differently if we knew exactly when death would come knocking on our door Most of us think that we have a whole lot of years left before we even have to start thinking about death What if I could prove to you that not only is the time of death's visitation rapidly approaching for us all but that his foot is already in the door What if I could show you signs that were written thousands of years ago that warn us that we are about to enter into a time of unparalleled death and devastation that make all previous such events pale by comparison Would knowing what is going to happen tomorrow change how you live today Today just may be the most important day of your life the things that you are about to read will most assuredly impact you for the rest of your life Death is at your door doom is just around the corner and uncertainty is all around us but just beyond the horizon lays hope

Biblical Eschatology, Second Edition Jonathan Menn,2018-03-07 Biblical Eschatology provides what is not found in any other single volume on eschatology it analyzes all the major eschatological passages including the Olivet Discourse and the book of Revelation issues including the second coming of Christ the millennium the rapture and Antichrist and positions including all the major views of the millennium in a clear but not superficial way The book concludes with a chapter showing how eschatology is relevant for our lives Biblical Eschatology makes understanding eschatology easier by including chapters on how to interpret prophecy and apocalyptic literature by showing the history of eschatological thought and by placing eschatology in the context of the Bible's overall story line and structure Clarity and understanding are enhanced by the use of comparative tables and appendices Subject and Scripture indexes are included The book interacts with the best of Evangelical and Reformed scholarship and the extensive bibliography which includes the web addresses of many online resources provides an excellent source for the reader's further study This is a perfect resource for intelligent Christians including pastors students and teachers who desire to understand eschatology and to see how it fits together with the rest of the Bible

Dream, Creativity, and Madness in Nineteenth-Century France Tony James,1995-12-28 This is an important new analysis of the problematic relationship between dreams and madness as perceived by nineteenth century French writers thinkers and doctors Those wishing to know the nature of madness wrote Voltaire should observe their dreams The relationship between the dream state and madness is a key theme of nineteenth century European and specifically French thought The meaning of dreams and associated phenomena such as somnambulism ecstasy and hallucinations including those induced by hashish preoccupied writers philosophers and psychiatrists In this path breaking cross disciplinary study Tony James shows how doctors such as Esquirol L lut and Janet thinkers including Maine de

Biran and Taine and writers for example Balzac Nerval Baudelaire Victor Hugo and Rimbaud grappled in very different ways with the problems raised by the so called phenomena of sleep Were historical figures such as Socrates or Pascal in fact mad Might dream be a source of creativity rather than a merely subsidiary automatic function What of lucid dreaming By exploring these questions Dreams Madness and Creativity in Nineteenth Century France makes good a considerable gap in the history of pre Freudian psychology and sheds new and fascinating light on the central French writers of the period

Commentary , The Future at Face Value Dale TerHaar,2016-10-13 The Future at Face Value By Dale TerHaar Author Dale TerHaar studied for the ministry at Liberty University School of Life Long Learning Dale has studied the Bible all his life and the second coming of Jesus in particular since 2000 Theologians are excited about the end of the age and the soon coming Rapture However they seem to be changing their story which is becoming more and more like Dale s doctrine Everyone is interested in the approximate time the Rapture will take place and how much more persecution the Christians will have to endure The author does not set any dates but clearly shows the things that must happen just before the Rapture takes place Our redemption in the Day of the Lord is a part of the Gospel message and is an important doctrine all Christians share Dale exposes why this Gospel lesson is so important and relevant for today s believers in simple to understand language This book will enable believers to strengthen their resolve to live for Christ in the times of trouble we live in today Dale has titled his book The Future at Face Value because he interprets the Scriptures at face value The Bible and the book of Revelation become very easy to understand when interpreted literally Dale also makes sure that Scripture verses are not

quoted out of the context in which they were written In other words the Bible is only interpreted literally and at face value which is very refreshing for the reader The reader will be delighted by the relevancy of Christ s second coming and uniqueness of understanding the Bible literally **The Publishers Weekly** ,1972 **Angels, Let's Talk** Orlando Constantine,2007-10 The anointing received is the deciding factor of the truth on this subject which is unparallel in content as being current biblical and to the point Why are you angels here where are you coming from and do you give a damn where you are going This book intend to bring a resolution to these questions and if eternal damnation is obvious redemption is also plausible as one extremity has a equal opposite except in the case of God Come now and let us reason together saith the LORD though your sins be as scarlet they shall be as white as snow though they be red like crimson they shall be as wool Isaiah 1 18 *His Master's Voice Recordings* ,2007 *The Farmers' Advocate and Home Magazine* ,1927 **Jungle need and home help, ed. by Mrs. M.
