Against Hermogenes:

Against Hermogenes Tertullian, 2004-06 He cannot say that it was as its Lord that God employed Matter for His creative works for He could not have been the Lord of a substance which was co equal with Himself Well but perhaps it was a title derived from the will of another 2 which he enjoyed a precarious holding and not a lordship 3 and that to such a degree that 4 although Matter was evil He yet endured to make use of an evil substance owing of course to the restraint of His own limited power 5 which made Him impotent to create out of nothing not in consequence of His power for if as G **The Treatise Against Hermogenes** Tertullian, 1956 Hermogenes was still living when Carthage's native son took up his pen to oppose him but that did not make Tertullian's polemic more considerate or his satire less passionate and biting Hermogenes taught a form of materialism Tertullian brilliantly convicts him of contradiction **Tertullian - Against Hermogenes** Quintus Tertullianus, 2015-11-19 The doctrine of Hermogenes has this taint of novelty He is in short a man living in the world at the present time by his very nature a heretic and turbulent withal who mistakes loquacity for eloquence and supposes impudence to be firmness and judges it to be the duty of a good conscience to speak ill of individuals Moreover he despises God's law in his painting maintaining repeated marriages alleges the law of God in defense of lust and yet despises it in respect of his art He falsifies by a twofold process with his cauterium and his pen He is a thorough adulterer both doctrinally and carnally since he is rank indeed with the contagion of your marriage hacks and has also failed in cleaving to the rule of faith as much as the apostle's own Hermogenes However never mind the man when it is his doctrine which I question He does not appear to acknowledge any other Christ as Lord though he holds Him in a different way but by this difference in his faith he really makes Him another being nay he takes from Him everything which is God since he will not have it that He made all things of nothing For turning away from Christians to the philosophers from the Church to the Academy and the Porch he learned there from the Stoics how to place Matter on the same level with the Lord just as if it too had existed ever both unborn and unmade having no beginning at all nor end out of which according to him the Lord afterwards created all things [The Treatise Against Hermogenes](#), 1956 *Tertullian #3 'Against the Valentians'* Apostle Arne Horn, 2016-04-17 Tertullian's full name Quintus Septimius Florens Tertullianus c. 155 c. 240 AD 1 was a prolific early Christian author from Carthage in the Roman province of Africa He is the first Christian author to produce an extensive corpus of Latin Christian literature He also was a notable early Christian apologist and a polemicist against heresy including contemporary Christian Gnosticism **Ancient Greek Cosmogony** Andrew Gregory, 2008-01-03 Presents an account of ancient Greek theories of the origins of the world This book covers the period from 800 BC to 600 AD beginning with myths concerning the creation of the world It covers the cosmogonies of the major Greek and Roman thinkers as well as the debate between Greek philosophical cosmogony and early Christian views **The Ante-Nicene Fathers** Alexander Roberts, 1887 *The Ante-Nicene Fathers: Latin Christianity: its founder, Tertullian.
