hardened Tom Kendrick is hired by Alton Burwick to drive a pack of renegades and outlaws from his land but soon Kendrick suspects that he is fighting for the wrong man and that he is the only one who can stop a massacre of innocent men and women Engines of Empire Douglas R. Burgess Jr., 2016-05-04 In 1859 the S S Great Eastern departed from England on her maiden voyage She was a remarkable wonder of the nineteenth century an iron city longer than Trafalgar Square taller than Big Ben s tower heavier than Westminster Cathedral Her paddles were the size of Ferris wheels her decks could hold four thousand passengers bound for America or ten thousand troops bound for the Raj Yet she ended her days as a floating carnival before being unceremoniously dismantled in 1889 Steamships like the Great Eastern occupied a singular place in the Victorian mind Crossing oceans ferrying tourists and troops alike they became emblems of nationalism modernity and humankind s triumph over the cruel elements Throughout the nineteenth century the spectacle of a ship s launch was one of the most recognizable symbols of British social and technological progress Yet this celebration of the power of the empire masked overconfidence and an almost religious veneration of technology Equating steam with civilization had catastrophic consequences for subjugated peoples around the world Engines of Empire tells the story of the complex relationship between Victorians and their wondrous steamships following famous travelers like Mark Twain Charles Dickens and Jules Verne as well as ordinary spectators tourists and imperial administrators as they crossed oceans bound for the colonies Rich with anecdotes and wry humor it is a fascinating glimpse into a world where an empire felt powerful and anything seemed possible if there was an engine behind it Agatha Christie's Secret Notebooks John Curran, 2010-03-30 Agatha Christie s Secret Notebooks is the fascinating exploration of the contents of Agatha Christie s long hidden notebooks including illustrations analyses and two previously unpublished Hercule Poirot short stories Not only will Christie s legions of ardent fans find a treasure chest of new material from the author of such classics as And Then There Were None Murder on the Orient Express and Death on the Nile but Agatha Christie s Secret Notebooks is also a must read tutorial for writers who want to learn the intricacies of constructing crime novels *British Murder Mysteries, 1880-1965* Laura E. Nym

Mayhall, Elizabeth Prevost, 2022-08-09 *British Murder Mysteries 1880 1965 Facts and Fictions* conceptualizes detective fiction as an archive i e a trove of documents and sources to be used for historical interpretation By framing the genre as a shifting set of values definitions and practices the book historicizes the contested meanings of analytical categories like class race gender nation and empire that have been applied to the forms and functions of detection Three organizing themes structure this investigation fictive facticity genre fluidity and conservative modernity This volume thus shows how British detective fiction from the late nineteenth to the mid twentieth century both shaped and was shaped by its social cultural and political contexts and the lived experience of its authors and readers at critical moments in time **Agatha Christie** Agatha Christie, 1990-06-02 A collection of novels by renowned mystery author Agatha Christie *H.C. Bailey's Reggie Fortune and the Golden Age of Detective Fiction* Laird R. Blackwell, 2017-07-14 H C Bailey s detective Reggie Fortune was one of the most popular protagonists of the Golden Age of detective fiction Fortune appeared in nine novels yet it was in a series of 84 short stories that were published from 1920 to 1940 where he truly shone combining elements of several popular archetypes the eccentric logician the forensic investigator the hard boiled interrogator the psychological profiler the defender of justice This critical study examines the Fortune stories in the context of other popular detective fiction of the era Bailey s classics are distinguished by well clued puzzles brilliant sleuthing vivid description and social critique with Fortune evoking images of Don Quixote and the Arthurian Knights in his pursuit of truth and justice in an uncaring world The Publishers Weekly ,2000 Clues from the Couch Laird R. Blackwell, 2022-06-27 The detective story the classic whodunit with its time displacement structure of crime according to most literary historians is of relatively recent origin Early in its development the whodunit was harshly criticized for its tightly formula bound structure Many critics prematurely proclaimed the death of the whodunit and even of detective fiction altogether Yet today the genre is alive as contemporary authors have brought it into modern times through a significant integration of elaborate character development and psychology With the modern psychological detective story emerging from the historical cauldron of detective fiction and early psychology the genre continues to develop a complexity that reflects and guides the literary sophistication needed This book the first of its kind analyzes over 150 whodunit novels and short stories across the decades from *The Moonstone* to the contemporary novels that saved the genre from an ignominious death **AB Bookman's Yearbook** ,1982 The Sleuth Book for Genealogists Emily Anne Croom, 2009-12 Originally published Cincinnati Ohio Betterway Books 2000 American Bookseller ,1989 Murder on the Orient Express Teaching Guide Agatha Christie, Amy Jurskis, 2017-11-07 To help teachers decide if Agatha Christie s *Murder on the Orient Express* is right for their students we ve created this free e book that features sample chapters from the book and a teaching guide *Time* Briton Hadden, Henry Robinson Luce, 1981 **Books in Print** ,1994
