## Age Of Jackson:

**The Age of Jackson** Robert Vincent Remini,1972     The Age of Jackson Arthur M. Schlesinger,1945     *The Revolutionary Age of Andrew Jackson* Robert Vincent Remini,1976     *The Age of Jackson* Tim McNeese,2020-07-01 Andrew Jackson was one of the most controversial presidents in American History Raised in the backwoods of Appalachia he grew up amidst the violence of the Revolutionary War and carried violence with him throughout his life Though his penchant for dueling left him with a bullet lodged in his chest Jackson s combative nature served him well in his military career He quickly rose to prominence as a celebrated Indian fighter and hero of the War of 1812 and his victories against the Spanish and the Seminole in Florida led to the further expansion of the United States As president Jackson squabbled with the South over tariffs and fought to dismantle the Second Bank of the United States But his longest lasting legacy was his policy of Indian Removal Jackson signed the Indian Removal Act of 1830 which resulted in the forcible relocation of multiple tribes to territories further west a move that would become known as the Trail of Tears In The Age of Jackson follow Andrew Jackson s progress from fighting on the frontier to governing in the White House     **The Age of Jackson** Arthur Meier Schlesinger,1945     **The age of Jackson** Arthur Meier Schlesinger (Jr.),1945 Presents ideologies controversies and personalities of the early 1800 s instructive to the American as democracy of today     The Age of Jackson Arthur M. Schlesinger (jr.),1950     The Age of Jackson and the Art of American Power, 1815-1848 William Nester,2013-08-31 As William Nester asserts in The Age of Jackson it takes quite a leader to personify an age A political titan for thirty three years 1815 1848 Andrew Jackson possessed character beliefs and acts that dominated American politics Although Jackson returned to his Tennessee plantation in March 1837 after serving eight years as president he continued to overshadow American politics Two of his proteges Martin the Magician van Buren and James Young Hickory Polk followed him to the White House and pursued his agenda Jackson provoked firestorms of political passions throughout his era Far more people loved than hated him but the fervor was just as pitched either way Although the passions have subsided the debate lingers Historians are split over Jackson s legacy Some extol him as among America s greatest presidents citing his championing of the common man holding the country together during the nullification crisis and eliminating the national debt Others excoriate him as a mean spirited despot who shredded the Constitution and damaged the nation s development by destroying the Second Bank of the United States defying the Supreme Court and grossly worsening political corruption through his spoils system Still others condemn his forcibly expelling more than forty thousand Native Americans from their homes and along the Trail of Tears which led far west of the Mississippi River with thousands perishing along the way In his clear eyed assessment of one of the most divisive leaders in American history Nester provides new insight into the age old debate about the very nature of power itself     *Democracy in the Age of Jackson* Edwin Charles Rozwenc,Frederick E. Bauer,1965     Interpreting American History Brian Dallas McKnight,James Scott Humphreys,2011 Experts on Jacksonian America address the changing
