Hampshire, 1962 Jews, Judaism, and Success Robert Eisen, 2023-06-23 In *Jews Judaism and Success* Robert Eisen attempts to solve a long standing mystery that has fascinated many How did Jews become such a remarkably successful minority in the modern Western world Eisen argues that Jews achieved such success because they were unusually well prepared for it by their religion in particular Rabbinic Judaism or the Judaism of the rabbis Rooted in the Talmud this form of Judaism instilled in Jews key values that paved the way for success in modern Western society autonomy freedom of thought worldliness and education The book carefully analyses the evolution of these four values over the past two thousand years in order to demonstrate that they had a longer and richer history in Jewish culture than in Western culture The book thus disputes the common assumption that Rabbinic Judaism was always an obstacle to Jews becoming modernized It demonstrates that while modern Jews rejected aspects of Rabbinic Judaism they also retained some of its values and these values in particular led to Jewish success Written for a broad range of readers *Jews Judaism and Success* provides unique insights on the meaning of success and how it is achieved in the modern world **Philosophy and the Self** Troy Wilson Organ, 1987
