The Politics of Upheaval Arthur M. Schlesinger, 2003-07-09 In the third volume of his series on Franklin Roosevelt the Pulitzer Prize winning historian focuses on the turbulent final years of FDR s first term A measure of economic recovery revived political conflict and emboldened Roosevelt s critics to denounce that man in the White house To his left were demagogues Huey Long Father Coughlin and Dr Townsend To his right were the champions of the old order ex president Herbert Hoover the American Liberty League and the august Supreme Court For a time the New Deal seemed to lose its momentum But in 1935 FDR rallied and produced a legislative record even more impressive than the Hundred Days of 1933 a set of statutes that transformed the social and economic landscape of American life In 1936 FDR coasted to reelection on a landslide Schlesinger has his usual touch with colorful personalities and draws a warmly sympathetic portrait of Alf M Landon the Republican candidate of 1936 One of the most important historical enterprises of our time Saturday Review Vividly portrays the concluding years of Roosevelt s first term and the sweep and excitement of an era more historically dramatic than most Time

American Populist Thomas E. Patterson,2025-02-14 Thomas E Patterson s monumental biography of Huey Long is a profound reevaluation of his life and legacy recognizing him as an inspirational progressive thinker populist hero and radical influence on the New Deal before an assassin s bullet ended his life in 1935 First as governor and then as U S senator Long transformed the politics of Louisiana by standing for the interests of citizens whom state officials had historically ignored He eased suffrage restrictions so that more people could vote and voters endorsed his program of more robust government services and shifting the tax burden to those better able to pay In the United States Senate during the darkest days of the Great Depression he advocated loudly and ceaselessly for the redistribution of wealth expanding public works increasing the money supply insuring bank deposits paying old age pensions and veterans benefits delivering a minimum income for families and funding college and vocational education President Franklin D Roosevelt along with other politicians and pundits dismissed Long s proposals as nonsense put forth by a reckless demagogue in search of votes Despite several biographies acclaimed novels and historical studies in the years since Long s death his reputation today is mostly caricature a spellbinding speaker a dictator a populist firebrand who was unprincipled and corrupt Using previously untapped personal papers of Long and his son Russell other primary sources recent scholarship and his experience as a lawyer Patterson provides a necessary corrective as he analyzes the contours of Long s career deconstructs the elements of his success undercuts several myths related to his time in office and explains the circumstances that led to his ultimate downfall The result is the most comprehensive balanced and analytical study of the Kingfish to date *The Age of Roosevelt* Arthur Meier Schlesinger,1957 *Age of Roosevelt* Arthur M. Winning the Green New Deal Varshini Prakash,Guido Girgenti,2020-08-25 An urgent and definitive collection of essays from leaders and experts championing the Green New Deal and a detailed playbook for how we can win it including contributions by leading activists and progressive writers like Varshini Prakash Rhiana Gunn Wright Bill McKibben Rev William Barber II and more In October 2018 scientists warned that we have less than 12 years left to transform our economy away from fossil fuels or face catastrophic climate change At that moment there was no plan in the US to decarbonize our economy that fast Less than two years later every major Democratic presidential candidate has embraced the vision of the Green New Deal a rapid vast transformation of our economy to avert climate catastrophe while securing economic and racial

justice for all What happened A new generation of leaders confronted the political establishment in Washington DC with a simple message the climate crisis is here and the Green New Deal is our last best hope for a livable future Now comes the hard part turning that vision into the law of the land In *Winning a Green New Deal* leading youth activists journalists and policymakers explain why we need a transformative agenda to avert climate catastrophe and how our movement can organize to win Featuring essays by Varshini Prakash cofounder of Sunrise Movement Rhiana Gunn Wright Green New Deal policy architect Joseph Stiglitz Nobel Prize winning economist Bill McKibben internationally renowned environmentalist Mary Kay Henry the President of the Service Employees International Union and others we ll learn why the climate crisis cannot be solved unless we also confront inequality and racism how movements can redefine what s politically possible and overcome the opposition of fossil fuel billionaires and how a Green New Deal will build a just and thriving economy for all of us For anyone looking to understand the movement for a Green New Deal and join the fight for a livable future there is no resource as clear and practical as *Winning the Green New Deal* *Alexander Hamilton and the Persistence of Myth* Stephen F. Knott, 2002 Knott observes that Thomas Jefferson and his followers and later Andrew Jackson and his adherents tended to view Hamilton and his principles as un American While his policies generated mistrust in the South and the West where he is still seen as the founding plutocrat Hamilton was revered in New England and parts of the mid Atlantic states Hamilton s image as a champion of American nationalism caused his reputation to soar during the Civil War at least in the North However in the wake of Gilded Age excesses progressive and populist political leaders branded Hamilton as the patron saint of Wall Street and his reputation began to disintegrate BOOK JACKET
