## **Card Tricks Bankers Boomers:**

*Card Tricks* Ann Finlayson, Sandra Martin, 1993      *Dropped Threads 2* Carol Shields, Marjorie Anderson, 2010-05-28

The idea for *Dropped Threads What We Aren't Told* came up between Carol Shields and longtime friend Marjorie Anderson over lunch. It appeared that after decades of feminism the women's network still wasn't able to prevent women being caught off guard by life. There remained subjects women just didn't talk about or felt they couldn't talk about. Holes existed in the fabric of women's discourse and they needed examining. They asked thirty-four women to write about moments in life that had taken them by surprise or experiences that received too little discussion and then they compiled these pieces into a book. It became an instant number one bestseller, a book club's favourite and a runaway success. *Dropped Threads* says Anderson tapped into a powerful need to share personal stories about life's defining moments of surprise and silence. Readers recognized themselves in these honest and intimate stories; there was something universal in these deeply personal accounts. Other stories and suggestions poured in. *Dropped Threads* would clearly be an ongoing project. Like the first volume, *Dropped Threads 2* features stories by well-known novelists and journalists such as Jane Urquhart, Susan Swan, and Shelagh Rogers, but also many excellent new writers including teachers, mothers, a civil servant, a therapist. This triumphant follow-up received a starred first review in *Quill and Quire* magazine which called it compassionate and unflinching. The book deals with such difficult topics as loss, depression, disease, widowhood, violence, and coming to terms with death. Several stories address some of the darker sides of motherhood. A mother describes how, while sleep-deprived and in a miserable marriage, she is shocked to find infanticide crossing her mind. Another woman recounts a memory of her alcoholic mother demanding the children prove their loyalty in a terrifying way. A woman desperate for children refers to the bleak truth as 'Another Christmas of feeling barren'. Narrating the fertility treatment she undergoes, she hopes dashed, she is amusing in retrospect and yet brutally honest. While they deal with loss and trauma, the pieces show the path to some kind of acceptance, showing the authors' determination to learn from pain and pass on the wisdom gained. The volume also covers the rewards of learning to be a parent, choosing to remain single, or fitting in as a lesbian parent. It explores how women feel when something is missing in a friendship, how they experience discrimination, relationship challenges, and other emotions less easily defined but just as close to the bone. Alison Wearing in *My Life as a Shadow* subtly describes allowing her personality to be subsumed by her boyfriend's. Pamela Mala Sinha tells how, after suffering a brutal attack, she felt self-hatred and a longing for retribution. Dana McNairn talks of her uncomfortable marriage to a man from a different social background. I wanted to fit in with this strange, wondrous family who never raised their voices, never swore, and never threw things at one another. Humour, a confiding tone, and beautiful writing elevate and enliven even the darkest stories. Details bring scenes vividly to life so we feel we are in the room with Barbara Defago when the doctor tells her she has breast cancer, coolly dividing her life into a before and after. Lucid, reflective, and poignant, *Dropped Threads 2* is for anyone interested in women's true stories.      **Working the Dead**

**Beat** Sandra Martin, 2012-09-11 Longlisted for the Charles Taylor Prize and selected as a Globe and Mail Top 100 Book and an iTunes Store Best Book Globe and Mail columnist Sandra Martin honours the lives of Canada's famous, infamous, and unsung heroes in this unique collection of obituaries of the first decade of the twenty-first century. Here are Canadian icons such as Prime Minister Pierre Trudeau, economist John Kenneth Galbraith, social activist June Callwood, and urban theorist Jane Jacobs. Here are builders such as feminist and editor Doris Anderson and businessman and famed art collector Ken Thomson. Here are our rogues, rascals, and romantics, our service men and women, and here are those private citizens whose lives have had an undeniable public impact. Finally, Martin interweaves these elegant and eloquent biographies with the autobiography of the obit writer, offering an exclusive and intimate view of life on the dead. Beautifully written, compelling, and vivid, *Working the Dead* is a tribute to those individuals who, each on their own and as a collective, tell the story of our country and to the life of the obit writer who chronicles their extraordinary lives. **The Art of the Obit**

Sandra Martin, 2014-04-15 In *The Art of the Obit*, award-winning journalist Sandra Martin reveals the cult and craft of obituary writing from the ancient Greeks to a wired-up 24/7 world. In this witty exploration of our oldest biographical form, Martin punctures five long-held myths about the dead, chronicles the social, political, cultural, and historical impact of obituaries, and explores the future of writing about the dead on the Internet and social media sites. This fascinating and provocative work proves that there's no such thing as an uninteresting life. *The First Man in My Life* Sandra Martin, 2007  
N 22 narratives of some of Canada's most acclaimed writers share stories, memories, insights, and revelations from the comic to the tragic about the first man in their lives. Complex, compelling, and unforgettable. [Canadian Books in Print](#), 1998

Instead, this is an exploration of the metaphysics of aging in America, something unpleasant to contemplate but inevitable. The fact is that aging baby boomers and their families, who are not prepared for the changes that are coming, will have to meet them anyway. So you better have a firm and reliable belief system to handle the impact of this new reality: the aging baby boomers now are
