Meeting in the Margins Cynthia Trenshaw, 2015-10-06 When Cynthia Trenshaw recently widowed moves to Berkeley she thinks the reason she has transplanted herself is to earn her master s degree in theology But when step by unexpected step she is drawn into the cultural borderlands where society s invisible people reside she encounters dispossessed and demanding teachers not listed on any academic roster and becomes immersed in a heady curriculum of helplessness and joy wisdom and pain A book that encourages readers to receive the generosity and reciprocity of the margins Meeting in the Margins offers guidance for how we can all as individuals begin to repair the rift between the margins and the mainstream of society simply by being profoundly present *Holy Eros* James D. Whitehead, Evelyn Eaton Whitehead, 2009 Eros is the passionate energy that makes us one with the beautiful other with a leper with the world of nature waiting to be embraced and cared for with our neighbor the stranger with God The Whiteheads explore this vital energy of love as the gift of a Creator madly in love with his creation a God who would bring us to life in abundance if we only say Yes They discuss Eros in the movements of our sexuality as well as in our arousals of compassion and care They examine the Eros of pleasure and of generosity They honor the Eros of hope of anger of suffering They reveal that Eros has a Source far deeper than lust and is a pathway to a passionate God Holy Eros recovers this fundamental energy of love as a powerful resource in the revitalization of Christian spirituality Unlike most books on the topic it eschews easy clichés Its reader benefit is to understand and appreciate an energy that can heal as well as hinder and to tap into its positive force *The Wisdom of the Body* Evelyn
