

# Plan for your career

## Beginning of degree or program

Develop a career plan and set some goals for your first year

Be aware of your employability skills, the gaps and what you need to work on

Reflect on the past year, adjust your career plan and set your next goals

## Mid degree or program

Know the ins and outs of recruitment and selection, and how professional bodies can add value

Don't forget to continue building your work history

Build your practical work experience and learn from it

Consider how employers identify talent and what your competitive advantage is

Develop and build your networks

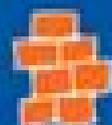

Apply for graduate recruitment programs

Start preparing to transition to the workforce

## Prior to graduation

Reflect on the past year and develop a job search strategy

Continue to develop your leadership qualities and other employability skills
