## Caress Of Life:

**Caress of Life** Salorne Mcdonald,2005-09 The Caress Of Life is a collection of thoughts and feelings that were born out of lifes myriad experiences The works herein take one through a personal journey of things that we feel as human beings but sometimes never let out Pieces are put out to give the reader an inside view of the authors thoughts and feelings on some of the questions often asked by life but seldom answered by anyone The questions of Who What Where When and Why are touched often in an attempt to place readers inside of themselves and reconnect them with those parts that are often neglected The overall intent is to allow anyone to interact with the mind and heart of another person who lives life and desires to share the richness of experiences gained in it

**Life's Beautiful Battle** John William Lloyd,1910 **Romantic**

**Insanity** Patrick Basu,2013 I was touched by T S Elliot in my school days and I was profoundly impressed by William Somerset Maugham the British writer with pungent social idiosyncrasies and a disenchanting life Later in college I was inspired by poet singer and musician Paul Simon This literary flare transcribed into a more tangible artistic landscape on films Truly I was mentored by Satyajit Ray David Lean and Francois Truffaut It seemed just a capricious dream that came alive in the mode of morbid anatomy of medicine I was fortunate to peel off the deeper fascia and palpate the sublime passion in the art of medicine with an uncompromising devotion to imbibe the true elixir that heals life and touches millions of souls The literary acumen came in handy to express and depict the mundane facts and dry statistics in scientific journals Embraced liver into life and persuaded a sanative intimacy to cure liver disease and transplantation My smoldering desire for poetry and cinema was rekindled and came alive in screenplays after a few decades of my life drowned in medicine I sculpted the lost dream into a few film screenwrites with a nascent flicker of poignant passion for poetry I dedicate the book as a prelude to my widowed mother who was the primordial driving force in my life in making me a physician and to my wife who has submitted an infinite tolerance to forgiving my daily insanities Patrick Basu MD

**Perhaps Love** Patrick Basu,2014-05 Perhaps Love is a compendium of romantic poems composed by the author over many decades intimately reflective of a serene storgic dying entity of true self sacrificing love It is written beautifully with a style so sublime such that the interpretation is left open to the reader depending on their individual context and frame of mind which could range from lovers to best of friends The style is rich and varies from sonnets to horatic and Pindaric odes dedicated to the lover and his beloved Perhaps Love is an enjoyable read for anyone at any level People with a passion for literary art can appreciate its full depth The author is truly an enigmatic individual to many of us who intimately know him He has a depth that is unfathomable to many and I consider myself truly privileged to know him as my father figure both personally and professionally
