

Caring Couples

**Robert Atkins Brown, Joan Roberts
Field**

Caring Couples:

Preventive Approaches in Couples Therapy Rony Berger, Mo Therese Hannah, 2013-06-17 Preventive Approaches in Couples Therapy is the first thorough overview of the leading approaches to preventing marital distress and dissolution. Written for professionals, paraprofessionals, and lay people involved in the development and implementation of preventive programs, the editors have created a resource accessible to all those in the field of couples therapy. The volume serves as an important resource for programs that the therapist may already use and as an insightful introduction into new programs that can strengthen and invigorate these existing therapeutic approaches.

Marriage in America, 2000 Marriage in America Martin King Whyte, 2000-11-08 The contributors to *Marriage in America*, inspired by the philosophy of communitarianism, consider an extensive roster of innovative policies and practices that are intended to promote a more supportive atmosphere for American marriages. A wide range of viewpoints are represented with essays by legal scholars, social scientists, public policy advocates, family activists, and government program administrators. Visit our website for sample chapters.

Love's Virtues Mike W. Martin, 1996 This book brings together a sensitive understanding of love and an unusually careful, even painstaking, analysis of the enormous but often neglected role of morality and the virtues in love. Martin's discussions of such virtues as caring, courage, fidelity, and honesty are superb; the examples well chosen; the argument personal but nevertheless rigorous; the prose accessible and enjoyable to read.

Treatment of Sexual Problems in Individual and Couples Therapy Robert Atkins Brown, Joan Roberts Field, 1988
