The Works of Gilbert Parker: Carnac's folly Gilbert Parker, 1923 Carnac's Folly, Complete Gilbert Parker, 2014-06-12 Carnac Carnac Come and catch me Carnac It was a day of perfect summer and hope and happiness in the sweet wild world behind the near woods and the far circle of sky and pine and hemlock The voice that called was young and vibrant and had in it the simple true soul of things It had the clearness of a bugle call ample and full of life and all life s possibilities It laughed it challenged it decoyed Carnac heard the summons and did his best to catch the girl in the wood by the tumbling stream where he had for many an hour emptied out his wayward heart where he had seen his father s logs and timbers caught in jams hunched up on rocky ledges held by the prong of a rock where man s purpose could apparently avail so little Then he had watched the black bearded river drivers with their pike poles and their levers loose the key logs of the bunch and the tumbling citizens of the woods and streams toss away down the current to the wider waters below He was only a lad of fourteen and the girl was only eight but she Junia was as spry and graceful a being as ever woke the echoes of a forest

Carnac's Folly (Classic Reprint) Gilbert Parker, 2015-07-18 Excerpt from Carnac s Folly He was only fourteen but already he had visions and dreamed dreams His father John Grier was the great lumber king of Canada and Junia was the child of a lawyer who had done little with his life but had had great joy of his two daughters who were clear to him beyond telling Carnac was one of Nature s freak s or accidents He was physically strong and daring but as a boy mentally he lacked concentration and deci sion though very clever He was led from thing to thing like a ray of errant light and he did not put a hand on himself as Old Denzil the partly deformed servant of Junia s home said of him on occasion and Denzil was a man of parts Denzil was not far from the two when Junia made her appeal and challenge He loved the girl exceedingly and he loved Carnac little less though in a different way Denzil was French of the French With habit of mind and character wholly his own About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve
