A LINES AND BLOOD FILM

Carnage In The Lovetrees

Joshua Clover

Carnage In The Lovetrees:

A Carnage in the Lovetrees Richard Greenfield, 2003 Building slowly from pieces scattered even shattered but still unnervingly present Greenfield's story speaks for many yet he presents it uniquely revealing language as a mode of perception that can rearrange the past but only if it's quick enough Greenfield's language is that quick and sharp and startlingly beautiful Cole Swensen author of *Such Rich Hour* Like a blue faced television in a darkened room a backstory lights up this rhapsodic outpouring This is a cunning attack on both the ever fading memory and on conventional methods of poetic confession The trigger is set on annihilation I'm truly amazed by these poems Mary Jo Bang author of *Louise in Love* Greenfield tells us to Recognize the world know it again since the only knowledge that counts is recognition He presents those second knowings recapitulations bright flashing revisitings of pain and pleasure which enact a kind of fumbling seduction between us and the world In this book we recognize our best possibilities and our worst fears but it is all brilliant This book is brilliance Bin Ramke author of *Airs Waters Places* *I Love Artists* Mei-mei Berssenbrugge, 2006-04-10 A selection from Berssenbrugge's work from the late 60s to the present Nine different books and several completely new works are represented here

The Totality for Kids Joshua Clover, 2006-04-03 Fierce intelligence fierce understanding of social issues and fierce sense of the power of artifice This is major work haunted by a sense of totality always present in the formal intricacy and in the roles cities and architecture play I think of these poems as crossing the cool allusive intricacy of Quentin Tarantino with the abstract intense social passion of Walter Benjamin Charles Altieri author of *The Art of Twentieth Century American Poetry* Modernism and After *The Totality for Kids* is a stunning collection that charts the the modern and its endnotes as voiced in one Clover poem There is no conceptual abstraction here without its color motion and syntax The poems form an urban and linguistic landscape of contemporary life in many ways written in the shadow of Adorno who himself wrote in the shadows of the modern In this brilliant volume the fragmented world of a late and lost modernity has its own moving and lucid affect its forms of aliveness We encounter here an enormous clarity of language in the service of a poetics that brilliantly queries our historical moment in and as form Judith Butler author of *Precarious Life Powers of Mourning and Violence*

Dark Archive Laura Mullen, 2011-03-29 Dark archive The purpose of a dark archive is to function as a repository for information that can be used as a failsafe during disaster recovery Laura Mullen's fourth collection is a sequence of beautifully interrelated poems that explores how to accurately represent the reality of change and loss Mullen pinpoints what is at stake the possibility of communication and connection and the hope of intimacy Invoking Wordsworth's *I Wandered Lonely as a Cloud* she pushes experiments in consciousness against their boundaries in an array of poetic forms Poetic tropes are measured against natural phenomena as Mullen examines what witness might mean in the context of the aftermath of Hurricane Katrina the failures of capitalism to effect social justice the murder of James Byrd in Texas the personal loss of a mother figure and a disintegrating love affair

Teare blends the speculative poetics of the San Francisco Renaissance with a postconfessional candor to embody the open field tradition of such poets as Robin Blaser and Robert Duncan Teare provides us with poems that insist on the simultaneous physical embodiment of tactile pleasure that which is found in the textures of thought and language as well as the action of syntax Partly informed by an ecological imagination that leads him back to Emerson and Thoreau Teare s method and fragmented style are nevertheless up to the moment Remarkable in its range *Sight Map* serves at once as a cross country travelogue a pilgrim s gnostic progress an improvised field guide and a postmodern pillowbook recording the erotic conflation of lover and beloved deity and doubter **Zyzyva** ,2003 **Must Love Trees** Tobin Mitnick,2023-03-28 Tobin Mitnick JewsLoveTrees creator and shameless tree lover leads you the tree curious through the wonderful world of North American trees with fact opinion and humor In *Must Love Trees* Mitnick invites you to share his deeply personal connection to our forest companions in ways that expand the storied genre of nature writing From an imagined dialogue with the world s oldest bristlecone pine to the minutiae of tree huggability to the emotional toll of taking up the practice of bonsai this fresh take into the world of trees is divided into three equally humorous and insightful sections The first section discusses Mitnick s personal opinions and relationship with trees while the second section describes the science behind trees from tree botany to tree biology to tree ecology In the final section Mitnick answers the question Who would these trees be if they all attended high school together Tobin s detailed description of a tree in action and his thorough run down of our most treasured North American trees all 100 of whom happen to be classmates at Tree High North America makes this compilation an original and occasionally outlandish guide for both the budding and seasoned tree lover *Must Love Trees* features beautiful drawings of a vast selection of North American trees including Renowned icons like the Coast Redwood *Sequoia sempervirens* Beloved favorites like the Southern Magnolia *Magnolia grandiflora* Historical tragedies like the American Chestnut *Castanea dentata* Menacing creepers like Poison Sumac *Toxicodendron vernix* Unsung wonders like the Common Paw Paw *Asimina triloba* Part textbook part memoir and part comedy *Must Love Trees* is the most complete and most unconventional story of our forest pals ever told **Poetry Project** ,2002 **Fourteen Hills** ,2003 Poets & Writers ,2003 **First Intensity** ,2003 **Quill & Quire** ,2003 **Fence** ,2005 **Five Fingers Review** ,2005 The Publishers Weekly ,2003 *Columbia* ,2006 *Tracer* Richard Greenfield,2009 Beyond speaking of possession and dominance which so often come cloaked in the placating language of stewardship beyond speaking as merely an observer of the destruction wreaked upon the natural and social environments of this planet Richard Greenfield s TRACER brings us back to our senses In an examination of the savage and savagely beautiful particularity of our existence this is equally and essentially a poetry that respects even as it implicates the mystery and peril of speaking through one s own limited frame A word might at one moment allude to the tracer who exposes an image s delicate outline and then at the next to the tracer rounds that lethally illuminate a target in the dark These lyric poems are deeply ethical and austere honest in their implication of and reflections upon the limits of morality

and honesty Nonetheless this is also a poetry that seeks to emancipate the voice of witness from the generalities of despair through its exacting engagement with this world American Book Publishing Record ,2003 **The British National Bibliography** Arthur James Wells,2004 *Forthcoming Books* Rose Arny,2003-04
