later it's obvious this last ditch effort paid off. In *Freelancing Foundations* he shows you how to do the same. *Freelancing with AI* Kerim Tumkaya, Freelancing has never been more exciting or more competitive. Platforms like Upwork and Fiverr are overflowing with talented people fighting for the same projects. Clients are overwhelmed, proposals get ignored and many freelancers are left frustrated. This book gives you the edge. Freelancing with AI is a practical playbook for using Artificial Intelligence to stand out, win more clients and earn more money without working longer hours. Inside you'll learn how to write irresistible proposals in minutes that actually get responses, transform your profile and portfolio into client magnets, communicate with confidence even if English isn't your first language, deliver projects faster and at a higher quality using AI-powered workflows, scale your income with smart strategies and AI-driven add-ons. Each chapter includes real case studies, checklists, action steps and ready-to-use AI prompts you can copy and paste directly into ChatGPT or other tools. Whether you're a new freelancer struggling to land your first client or an experienced professional tired of competing on price, this book shows you how to leverage AI to work smarter, earn more and build lasting client relationships. Stop guessing. Start winning. Your next client is closer than you think.

How to Freelance on Upwork: Complete Guide: How to Build a Successful Remote Work Career on Upwork and Step-By-Step Increase Earnings. Vladyslav Bondarenko, Yevhenii Zapletin, 2019-02-10

Upwork is the most popular freelance platform. A lot of people from all over the world work from home on this website. It is not about easy and fast online earnings. It is about professionals who work online and earn 50 per hour and more. People with limited time use Upwork as a side part-time job.

About the book: Complete guide, 325 pages from registration, filling profile, finding the first job, writing a cover letter and up to building reputation, increasing earnings, building an agency. The problem is that it's not easy to work on Upwork. You should know rules, guidelines, have sales skills and win the competition between other freelancers to get a job. You can learn everything by yourself or save time by reading several years' experience of other freelancers. The book is written by a freelancer who creates mobile applications for clients on Upwork and owns a blog and podcast about freelance from 2013. However, the book contains examples for almost all professions on Upwork: designers, illustrators, translators, developers, QA, system administrators, support managers, data entry specialists, virtual assistants, engineers, scientists, lawyers, sales managers, writers, etc.

The most important topics: Filling in a profile, choosing a niche, specialization, searching for a job, writing cover letter, building reputation, JSS Top Rated Rules and guidelines, fees and paid features, payout methods, hourly vs fixed price. This book will be interesting for next people: Professionals who want to start working online from any country of the world and receive the same salary as if they worked in the USA, students, office employees, young parents and other people who don't have a lot of time and want to find a side part-time job, people who don't have any special skills for online work but want to learn something new. It is possible to start freelancing from data entry jobs. Freelancers who have already worked on Upwork and want to learn other experience in order to improve profile, job applications, increase earnings. Offline company owners who want to find new clients on Upwork.
