Complete Plays with Prefaces Bernard Shaw,1963 The Complete Prefaces: 1889-1913 Bernard Shaw,1993 This is Volume II covering the years 1914 29 of a three part edition which will be the first to bring together all of Shaw s prefaces several hitherto unpublished They are assembled chronologically and are provided with annotation of elusive topical references through the meticulous but judicious editing of Dan H Laurence and Daniel J Leary The prodigious range of subjects children s rights creative evolution capital punishment blood sport the nature of sainthood the Irish question remains as topical as this morning s newspaper columns Shaw s concerns about human possibilities and the greed insularity and blindness that obstruct those possibilities are as applicable today as they were a century ago To H M Tomlinson Shaw possessed a passionate morality that happens to be gifted with the complete control of expression His energetic prose is ardent rhythmic brimming with vitality and bursting with humour Moreover Shaw s voice defies time linked as it is to a

tradition extending back to the English translators of the Bible through Dryden and Swift to Dickens while managing to be outrageously idiosyncratic and couched in a diction that uniquely anticipates the evolution of the language itself
