## **Complete Letters Of Vincent Van Gogh:**

**Complete Letters of Vincent Van Gogh** Vincent van Gogh,2000-02-01 One of the most important and powerful works in the literature of art this critically acclaimed classic is now available in a boxed set edition with all the original text and illustrations Articulate intimate written with honest directness these letters lay bare the events of van Gogh s dramatic life providing remarkable insights into the creative process and touching revelations of his personal anguish The Complete Letters of Vincent van Gogh was first published by New York Graphic Society in 1958 Surely among the most distinguished books ever published it is still the only complete edition of the letters in English Illustrated by the more than two hundred ink drawings the artist sketched into his letters the collection has been the source of numerous biographical and fictional works but none has matched the intensity of the original material Most of the letters were written to the artist s brother Theo and it was Theo s son Vincent who acted as consulting editor for the publication A touching memoir by Theo s wife serves as the introduction

[The Complete Letters of Vincent Van Gogh](#) Vincent van Gogh,2001 **The Letters of Vincent van Gogh** Patrick Grant,2014-05-01 When he died at the age of thirty seven Vincent van Gogh left a legacy of over two thousand artworks for which he was justly famous But van Gogh was also a prodigious writer of letters more than eight hundred of them addressed to his parents to friends such as Paul Gauguin and above all to his brother Theo His letters have long been admired for their exceptional literary quality and art historians have sometimes drawn on some of the letters in their analysis of the paintings And yet to date no one has undertaken a critical assessment of this remarkable body of writing not as a footnote to the paintings but as a highly sophisticated literary achievement in its own right Patrick Grant s long awaited study provides such an assessment and as such redresses a significant omission in the field of van Gogh studies As Grant demonstrates quite apart from furnishing a highly revealing self portrait of their author the letters are compelling for their imaginative and expressive power as well as for the perceptive commentary they offer on universal human themes Through a subtle exploration of van Gogh s contrastive style of thinking and his fascination with the notion of imperfection Grant illuminates

gradual shifts in van Gogh's ideas on religion, ethics, and art. He also analyzes the metaphorical significance of a number of key images in the letters which prove to yield unexpected psychological and conceptual connections and probes the relationships that surface when the letters are viewed as a cohesive literary product. The result is a wealth of new insights into van Gogh's inner landscape.

Vincent Van Gogh Vincent van Gogh, 2009. Vincent van Gogh's letters have long been prized as some of the most valuable documents in the world of art. Not only do they throw light on Van Gogh's own complex and intriguing character, they enlighten the whole creative process as seen through his eyes. This book presents biographical and art historical information. Vincent van Gogh's letters have long been prized as some of the most valuable documents in the world of art. Not only do they throw light on Van Gogh's own complex and intriguing character, they enlighten the whole creative process as seen through his eyes. Now Van Gogh's entire existing correspondence is to be published in the most complete edition ever produced, illustrated extensively throughout and drawing on fifteen years of scholarship and dedicated research. For the first time, all the works to which Van Gogh refers will be shown alongside the letters, not only the paintings and drawings that he himself was working on at the time, but also the works of art by others that he mentions. Sketches that Van Gogh made throughout the letters themselves are all reproduced here at full size. In over 900 letters, we can observe Van Gogh's thoughts and opinions at first hand, as well as his close ties with his brother Theo, his sometimes troubled relationships with friends and fellow artists, his personal doubts and fears, and above all, his overriding passion for his art. This edition is not only an immense treasure trove of biographical and art historical information, it provides a lasting pleasure as a personal written testimony to a life consecrated to art.
