## **Completely Yours:**

**Completely Yours** Michael McNamar, 2012-11-12 Love and acceptance are two basic needs that all human beings share. But only by giving our lives completely to Jesus Christ like I did nearly thirty years ago can we have those needs fulfilled. After twenty-two years of marriage, having raised two children, and being involved in education for over twenty years, it's possible for me to tell Nancy's story. It is a story about a human being in search of a relationship with her Creator. **Completely Yours** is about real people and real problems. It is like my first book, *Crushed by Love*, a story of healing and recovery from severe childhood abuse that probes the same human needs: love and acceptance. It is not just a woman's story; it is a human story. Nancy's life was destroyed when her marriage to Morgan ended after fifteen years of unfaithfulness, separating Nancy from her daughter, Cassie. She found hope for a new life that night when she knocked on Brian's apartment door. Not only did she find someone who would love her in spite of her past, Nancy also gave her life completely to Jesus Christ, the only true healer of the human heart. Years later, now a mother in her own right, Nancy is being reunited with Cassie. Morgan is dying of the effects of AIDS, and Cassie needs the only mother she has ever known. Her phone call starts Nancy down memory lane that brings her life full circle. **Completely Yours** deals with very challenging issues in such a sensitive way that anyone who reads this book will know that God loves them, no matter what has happened in their lives in the past. Lee Hartman

**Completely Yours** Erin Nicholas, 2016-12-20 Fresh, fun, and flirty Carly Phillips, New York Times bestselling author Kiera Connelly leads a quiet life and that's just how she likes it. She's built a name as a graphic designer and meets up with her friends online all from the comfort of her living room couch. But when a rare outing turns disastrous, Kiera finds herself up close and way too personal with an unbelievably hot real-life hero, Zach Ashley. Zach doesn't see himself as a hero; he's just a regular guy who gets to help people every day as an EMT. But when he's called to a scene and has to treat his most gorgeous patient ever, he finds himself mixing work with pleasure. He never hesitates to put his life on the line, but will he ever risk his heart? Praise for Erin Nicholas: A brand new Erin Nicholas book means I won't be sleeping until I'm finished. Guaranteed. Cari Quinn, New York Times bestselling author. **Force Yourself to be Consistent** Jack Ridge, 2025-10-27 Every year millions of people set goals and give up within weeks.
