Component Database Systems:

   Component Database Systems Klaus R. Dittrich,Andreas Geppert,2000-10-25 Component Database Systems is a collection of invited chapters by the researchers making the most influential contributions in the database industry s trend toward componentization This book represents the sometimes divergent sometimes convergent approaches taken by leading database vendors as they seek to establish commercially viable componentization strategies Together these contributions form the first book devoted entirely to the technical and architectural design of component based database systems In addition to detailing the current state of their research the authors also take up many of the issues affecting the likely future directions of component databases If you have a stake in the evolution of any of today s leading database systems this book will make fascinating reading It will also help prepare you for the technology that is likely to become widely available over the next several years Is comprised of contributions from the field s most highly respected researchers including key figures at IBM Oracle Informix Microsoft and POET Represents the entire spectrum of approaches taken by leading software companies working on DBMS componentization strategies Covers component focused architectures methods for hooking components into an overall system and support for component development Examines the component technologies that are most valuable to Web based and multimedia databases Presents a thorough classification and overview of component database systems   **Distributed Database Systems** Chhanda Ray,Ray,2009 Distributed Database Systems discusses the recent and emerging technologies in the field of distributed database technology The material is up to date highly readable and illustrated with numerous practical examples The mainstream areas of distributed database technology such as distributed database design distributed DBMS architectures distributed transaction management distributed concurrency control deadlock handling in distributed systems distributed recovery management distributed query processing and optimization data security and catalog management have been covered in detail The popular distributed database systems SDD 1 and R have also been included   *Database Systems For Advanced Applications '95 - Proceedings Of The Fourth International Conference* Wang Ling Tok,Yoshifumi Masunaga,1995-03-31 This volume contains three keynote papers and 51 technical papers from contributors around the world on topics in the research and development of database systems such as Data Modelling Object Oriented Databases Active Databases Data Mining Heterogeneous Databases Distributed Databases Parallel Query Processing Multi Media Databases Transaction Management Systems Document Databases Temporal Databases Deductive Databases User Interface and Advanced Database Applications   Database and Expert Systems Applications A Min Tjoa,Isidro Ramos,2012-12-06 The Database and Expert Systems Application DEXA conferences are mainly oriented to establish a state of the art forum on Database and Expert System applications But Practice without Theory has no sense as Leonardo said five centuries ago In this Conference we try a comprornise between these two complementary aspects A total of 5 sessions are application oriented ranging from classical applications to more unusual ones in Software

Engineering Recent research aspects in Databases such as activity deductivity and or Object Orientation are also present in DEXA 92 as weIl as the implication of the new data models such as OO Model Deductive Model etc included in the Modelling sessions Other areas of interest such as Hyper Text and Multimedia application together with the classical field of Information Retrieval are also considered FinaIly Implementation Apects are reflected in very concrete fields A total of of nearly 200 papers submitted from all over the world were sent to DEXA 92 Only 90 could be accepted A Poster session has also been establishcd DEXA 90 was held in Vienna Austria DEXA 91 in Berlin Germany and DEXA 92 will take place in Valencia Spain where we are celebrating the discovery of thc New World just five centurics ago in Leonardo s age Both the quality of the Conference and the compromise between Practice and Thcory are duc to the credit of all the DEXA 92 authors
