In the Company of Crows and Ravens John M. Marzluff,Tony Angell,2008-10-01 Crows and people share similar traits and social strategies To a surprising extent to know the crow is to know ourselves from the Preface From the cave walls at Lascaux to the last painting by Van Gogh from the works of Shakespeare to those of Mark Twain there is clear evidence that crows and ravens influence human culture Yet this influence is not unidirectional say the authors of this fascinating book people profoundly influence crow culture ecology and evolution as well John Marzluff and Tony Angell examine the often surprising ways that crows and humans interact The authors contend that those interactions reflect a process of cultural coevolution They offer a challenging new view of the human crow dynamic a view that may change our thinking not only about crows but also about ourselves Featuring more than 100 original drawings the book takes a close look at the influences people have had on the lives of crows throughout history and at the significant ways crows have altered human lives In the Company of Crows and Ravens illuminates the entwined histories of crows and people and concludes with an intriguing discussion of the crow human relationship and how our attitudes toward crows may affect our cultural trajectory

Crowbait David Rae,2023-03-10 I am the whisperer and the words I speak echo within you I am the whisperer and my words do not fade they endure to the end Everything changed when the high priest defied the dark spirit Vatu One man split into two now one is a ghost and the other is free But while Utas the high priest is released from his shackles Vatu still commands the world the Sun and the twelve priests below him Alaba the girl who shines like the moon is alive and in danger A heretic priest follower of the Author of All Things sends her away from the Valley of the Sun for her safety only for her and her caretakers to be captured by bandits They make a reluctant home among the bandits but even in this village of outcasts rivalries and secrets threaten their safety and their lives While the other priests of Vatu set out on their own dark quests famine spreads across the dark lands Hunger turns to desperation and war looms over the struggle for what little food remains Utas finds purpose when he finally reunites with his daughter but how can he keep her safe when death closes in on all sides
